

Holden High School

Career Technical Education Presentation 24-25

Mr. Grant Guevel

HHS Principal

Holden School District Mission

The Mission for Holden R-III School District is for all students, upon graduation, to have marketable skills or the basis to be eligible for post secondary educational opportunities.

Holden R-III Vision

VISION

The Holden R-III School District believes that:

- Education allows an opportunity for the maximum development of each individual;
- Education provides the basis for the individual to achieve;
- A democratic society encourages the individual to become a productive, responsible member of society;
- A democratic society emphasizes democratic values and citizenship.
- Teachers provide opportunities for the individual to achieve;
- Teachers create a learning environment which encourages individual motivation;
- Parents/guardians embrace a basic confidence in school;
- Parents/guardians cooperate and encourage the child to give his/her best efforts;
- Students possess attitudes conducive to fulfilling the responsibilities in the learning process.
