Dear Parents,

Parkway Manor Elementary School will be hosting Field Day for grades K-5th on Wednesday, May 21st! Please see the times above for each grade level. The goal for this event is to promote fitness and encourage students to participate and enjoy daily activity.

Please make sure your child wears **SNEAKERS**, **Non-Aerosol sunscreen**, and appropriate attire. Students are encouraged to bring hats and sunglasses. Students may also get wet while playing some of the activities, so please pack a towel. (No swimsuits) Please pack a water bottle for your child and mark the bottle with their name. Students will have the opportunity to refill their water bottles.

Parents are welcome to attend but must remain outside of the building at all times. If you have any questions concerning Field Day, feel free to email me at the address listed below. I'm really looking forward to a fun and exciting day!

Thank you!
