Assistant Superintendent Bailey reported on behalf of the elementary buildings. A new 4<sup>th</sup> grade teacher at OPM @ Central will be attending required training on reproductive health.

Assistant Principal Sara Roland reported on behalf of Kinawa 5/6 School. Kinawa is continuing their teaching rotation for reproductive health and offering the curriculum each trimester.

Assistant Superintendent Bailey reported on behalf of Chippewa Middle School. All of the curriculum for CMS has been relocated to a Google folder so everything is in a singular location for teachers.

Assistant Principal Joseph Schmidt reported on behalf of Okemos High School. There are no updates for Okemos High School other than they are continuing to teach reproductive health curriculum each semester.

District Program Specialist Kristin Rosenbrook reported on behalf of Special Education. The sub-committee found a new curriculum for students with special needs called Elevatus, which is for students in grades 5 - 12. This curriculum will be taken to the next board of education meeting for approval.

The PHASE Advisory Board still has an opening for a Clergy member. The district website has been updated as well as a district communication was sent to reflect the opening along with an application process to follow.

The board reviewed and compared data from the MiPHY survey from the last 10 years.

Executive Assistant Stacey Molenda will share a Google folder with the board to review the individual student (by grade-level) and parent surveys.

Assistant Superintendent Bailey reported on Puberty: The Wonder Years update. The vendor has offered a free parent preview organized by grade-level that can be used for one week each year to share with parents.

Meeting adjourned at 7:40 pm.
