

Invitation to Bid# T-25005

Camera Infrastructure

Prepared by: Josh Reynolds, Technology and Innovation Manager

Posted Date: 4/23/2025

Bids Due: 5/23/2025

The Iowa City Community School District intends to upgrade and expand its current technology infrastructure for district-wide video storage solutions. To support these enhancements, we are soliciting vendor proposals for server infrastructure hardware.

SAN Storage Solution (Qty: 1)

Lenovo DE6000 SAN Storage or equivalent with the following minimum specifications:

- Dual 16GB controllers
- 480 TB Storage
- 8-port 10/25GB SFP+ interfaces
- DE6000H Software bundle included
- Lenovo xClarity Pro (or equivalent system management solution)
- 5-year 24/7 support

Servers (Qty: 15)

Lenovo SR650 V3 servers or equivalent with the following minimum specifications:

- Processor: Intel Xeon Gold 6526Y, 16 cores, 195W, 2.8GHz
- Memory: 32GB RAM
- Storage: 32TB internal storage
- OS Drive: M.2 RAID1 for operating system
- Networking: 4-ports 10/25GB SFP28 AND 2-ports 10GB
- Power: Redundant power supplies and cabling
- Management: Lenovo XClarity XCC2 Platinum (or equivalent)
- Support: 5 years, Premium Next Business Day (NBD) support

We invite interested vendors to submit product specifications, pricing information, lead times, warranty terms, and any optional services or licensing costs associated with ongoing support electronically to:
