

Employee Incident & Injury Reporting

Workplace Incidents and Injuries

All incidents or injuries, no matter how small, are required to be reported to the district. To report, call the Paradigm nurse line at the following number:

1-844-847-8708

The care line nurse will assist with

- Completing a medical assessment and providing general guidance after an injury
- Helping you find appropriate medical care and finding a medical facility near you
- Coordinating modified work restrictions with physician
- Obtaining a return to work document for the district
- Communication between the district, physicians and workers compensation insurance
- Generating a first report of injury and sending this to the district

Remember to notify your supervisor of the injury

*In case of emergency
always call 911 prior to
the nurse line*
