Jenny Stotts – MCMS

- MCMS hosted its Presentations of learning on Tuesday, March 25. Many members of the Metcalfe County Extension Office volunteered their time to help. Every student presented and shared a project-based learning project and explained how it enhanced their student experience and learning. Laurie Gagnon, from the Aurora Institute, was in attendance along with 2 KDE representatives. Students also held a public exhibition showcase on March 26, with many members of the community coming out. Big thanks to Buddie Brockman and Lesley London (members of the MCMS Deeper Learning team) for arranging the volunteers and student presentations.
- MCMS media students created a video of the Presentations of Learning experience, which was played for the board members.
- Students who scored proficient or higher on last year's KSA were invited on field trips to Jump Zone and Greenwood Mall. There were 54 freshmen and 103 7th and 8th graders who attended.
- The Little Mermaid play was a huge success this year. Great job to Sarah Harper for directing the play. It will be showing again this week on Thursday and Friday for parents and friends.
- MCMS 21st Century students will perform a runway fashion show for the entire school on Wednesday as part of their Presentations of Learning/PBL project.

Kelly Bell: What a great opportunity for middle school students to conduct live presentations in front of an audience.

- Following the legislative session closely and how it will impact education. We will have some annual KSBA policy changes/recommendations coming up in the next couple of months.

Rachel Dial – Instruction/DAC

- In regards to the KSBA policy changes coming up this summer, there is a Red Tape Reduction Act that will affect the certified evaluation plan. Certified, tenured employees will move from a three-year cycle to a five-year cycle.

Torrie Osbon – PR/Grants

- We are still waiting to find out if we were awarded a continuation grant for the MCMS 21st Program. We were supposed to hear from KDE on March 28. KDE emailed me to let me know awards will be posted this spring, but they do not have a date.
- The district submitted a grant for seven new AEDs from KDE and has been awarded funds to purchase seven new AEDs. The AEDs will be placed at MCES, MCMS, MCHS, Central Office, Bus Garage, Athletics Complex, and Old School Café.
- We are reviewing the COPS grant application to determine if there is a need for further school violence prevention funding across the district. The grant will likely be due in June. GRREC has asked if we want to join a cohort of districts for this grant. I'll attend a meeting tomorrow to learn more about the possible partnership.
- Working on a press release to promote Claire Shapiro's grant award from Hershey that will supply personal care kits to foster children.
- We are in the process of switching our all-call system from Send-It to Messages XR. We hope to have the new program ready to go by June. We have meetings set up with the Finals site folks.
- Our app is getting an upgrade. It has new features such as news notifications. Users do not have to redownload the app. They can also turn off the push notification feature if they choose.
- We plan to send out information and registration forms for our Summer Feeding Program before the next board meeting.
- The Metcalfe County Education Foundation is now accepting donations and has received enough funds to support two MCMS students to attend a gifted and talented program at WKU.
