

You've Been Flocked!

October 1-29

**BREAST
CANCER**
Awareness Month

In honor of "Breast Cancer Awareness" Month, the Saddle Brook Jr. Falcons Rec Cheerleaders will help spread awareness during the month of October. This year we will donate a percentage of the proceeds of our "You've Been Flocked" fundraiser to the Susan G. Komen Foundation. In addition, the money raised will go towards cheer supplies, decorations, and awards for our annual End of the Year Dinner

HOW IT WORKS

Make a donation to send a flock of pink flamingos to your friends' and family members' front yard! The recipient will then have the opportunity to choose the next victim's house (by paying a suggested donation fee of \$20, or \$25 if they want insurance with it also). The recipient is not required to make a donation. The flock will be moved to the next house after 1-2 days regardless of a donation.

**THANK YOU FOR YOUR SENSE OF
HUMOR AND YOUR SUPPORT.**

**EMAIL SBRECCHEERING@GMAIL.COM
AND TELL US WHO YOU WANT TO FLOCK!**
