At Girl Scouts, everything she'll do is designed with,
by, and for girls. How awesome is that?

The Girl Scout Difference . . .

Girl Scouts offers the best leadership development experience for girls in the world.

Girl Scouts is proven to help girls thrive in five key ways as they:

- Develop a strong sense of self.
- Seek challenges and learn from setbacks.
- Display positive values.
- Form and maintain healthy relationships.
- Identify and solve problems in the community.

Everything a Girl Scout does centers around STEM, the outdoors, development of life skills, and entrepreneurship, and is designed to meet her where she is now and to grow along with her. Whether she's building a robotic arm, coding her first app, building a shelter in the backcountry, or packing for her first hike, a Girl Scout has an exciting array of choices to suit her interests at every age. And with more than 60 million other Girl Scouts to cheer her on every step of the way, there's no limit to what she can accomplish!
