March 31, 2017

BASKETBALL CLINIC

We will be conducting an instructional clinic for grades 3 through 8. This clinic will be open to all children, not only those currently involved in the recreation program. Please spread the word to anyone you think would like to join us! This program would be approximately 1-½ to 2 hours to take place on Saturday May 20th or Sunday May 21st. If necessary, we will conduct a clinic on both days based on the number of children participating.

The cost of this clinic would be \$20.00 per child. If you would like to enroll more than one child, the additional child/children would be \$10.00 each. The clinic will be conducted by an experienced instructor, along with other coaches, to make sure we keep the groups small in order to provide individual attention to the children. It will stress fundamentals such as dribbling, passing, and shooting using drills tailored to this age group. This is a great opportunity to have your child receive instruction before the next season begins in a positive and fun-filled environment.

Please complete the attached registration form and mail with your payment. (Details listed on the registration form.)

You will be contacted with the final date and time prior to the clinic.

The deadline for registration and payment is MAY 8th. We will be unable to accept registration or payment on the day of the event.

Thank you for your participation.

Mark Marino
Commissioner
Saddle Brook Recreation Basketball
