Hopewell-Loudon Local School Student Wellness and Success Grant Overview

The district presented the plan for Student Wellness and Success Funding in August.

The initiatives chosen by Hopewell-Loudon Schools are:

MENTAL HEALTH SERVICES

SOCIAL-EMOTIONAL LEARNING (SEL)

POSITIVE BEHAVIORAL INTERVENTIONS AND SUPPORTS

PROFESSIONAL DEVELOPMENT -Trauma-informed care

Mental Health Services

The district continues to utilize these funds for the staffing of our K-8 Social Worker. This position was implemented three years ago and provides mental health, family support, family engagement, and overall wellness programs for our students.

Social-Emotional Learning

Along with our current School Counselors, we provide Social Emotional Learning as well as Positive Behavioral Interventions and Support for the district.

PBIS

Positive Behavioral Interventions and Supports have been instrumental throughout the district's Leader in Me, PBIS rewards. All k-6 staff have been trained and implementation is 100%. The 7-12 is in about the 3rd year of full implementation but training still taking place.

Professional Development

The Social Worker is also a major contributor to our Traumatic Event Crisis Intervention Plan (TECIP), providing the necessary training for all staff in the event of a traumatic event taking place within the district.
