A note from the principal:

Dear Bulldog Family,

Can you believe it? We are down to our last full week of school and then finals week! This has been a fantastic year. Like most, it has come with it's challenges, but the positives, particularly getting to work with some amazing students, far outweigh any of the difficulties we've shared. The next couple of weeks have some important events, especially for our departing 8th grade class. On Friday, we will conduct our 8th grade promotion. This event will be held in the '83 gym beginning at 6:30 PM. The 8th grade parents have organized a celebration that will be held off-campus at the Black Event Center on Hwy. 180 to follow promotion. On Wednesday, May 21st our PTO has organized a fun field day for the campus. This will be a messy, but fun, time with a culminating "pie in the face" to either myself, Dr. Bownds, or Officer Logan (see below.) The Final exam schedule is below as well. On Thursday, May 22nd we will have our awards ceremony starting at 9:00 and an early release. We will be clapping our 8th graders out beginning at about 12:20. Parents are welcome, and can start checking in at the office around 12:10. Finally, a reminder from our nurse (see below) to pick up any meds you have on campus.

Warmest regards,

David Coker
