SRCS Weekly Updates

Dear Parents, Guardians, Students, SRCS Staff, and Community Members,

We're excited to update you on our progress as we work to reconfigure some of our campuses and programs. Here are some highlights of what we're working on.

District Level

Multilingual Learner Reclassification Ceremony

Last week, Santa Rosa City Schools proudly celebrated the achievements of over 300 students at our Multilingual Learner Reclassification Ceremony. The event honored students from across all grade levels and schools who have successfully met the criteria to be reclassified as fluent English proficient.

This important milestone recognizes the dedication of our students, the support of their families, and the commitment of our educators in helping multilingual learners thrive academically and socially. We are proud to celebrate the linguistic and cultural diversity that strengthens our schools and community. Congratulations to all our newly reclassified students! Speaking two or more languages is a tremendous strength, and we're proud to celebrate these students and all they bring to our schools and community. We look forward to seeing them continue to thrive!
