>>> MENTOR SEMINAR WITH NCCJ

Students at Jefferson Township Jr./Sr. High School have had some exciting opportunities to explore learning beyond the classroom. Several of our students attended the NCCJ Mentor Conference, where they participated in leadership and team-building sessions focused on respect, inclusion, and community impact.

>>> UNDERGROUND RAILROAD

Students were also able to learn about the legacy of the Underground Railroad with a trip to the National Underground Railroad Freedom Center Museum located in Cincinnati, Ohio (continue on next page).

College & Career Fair

The week of April 14 kicked off a powerful and purpose-driven College and Career Fair at Jefferson Township Jr./Sr. High School, designed to expose students to the resources and excite them to explore their futures.

>>>

Students explored:

- Clothes That Work – A session on professional attire, first impressions, and interview preparation.
- YouScience – A hands-on career exploration platform that uses student strengths to identify potential career pathways.
- College and Skilled Trades – Resources from colleges and skilled trades techs
- Resumes 101 & Emails – A practical workshop on writing professional emails and building resumes for job, college, or internship applications.

>>>

Each session was supported by Jefferson staff and leadership, and students rotated based on their grade levels for a smooth, focused experience. In the afternoon, students attended two shortened class periods to keep up with academic instruction.

THE NATIONAL UNDERGROUND RAILROAD FREEDOM CENTER MUSEUM

On March 21, students from Jefferson Township Jr./Sr. High School had the powerful opportunity to visit the National Underground Railroad Freedom Center in Cincinnati. This educational trip allowed students to explore important exhibits that connect deeply with America's history, including stories of courage, resistance, and the ongoing pursuit of freedom.

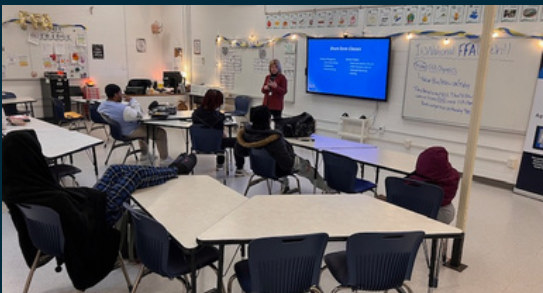

>>> COLLEGE & CAREER FAIR

Through interactive galleries, historical artifacts, and multimedia presentations, students engaged with the legacy of the Underground Railroad and examined modern-day issues of social justice.

The experience sparked thoughtful conversations, reflection, and a deeper appreciation for the struggles and triumphs that continue to shape our society.

We're proud to provide meaningful learning experiences like this that connect classroom content to real-world understanding. Thank you to our staff and chaperones who made this trip a success—and to our students, who represented our school with curiosity, and respect.

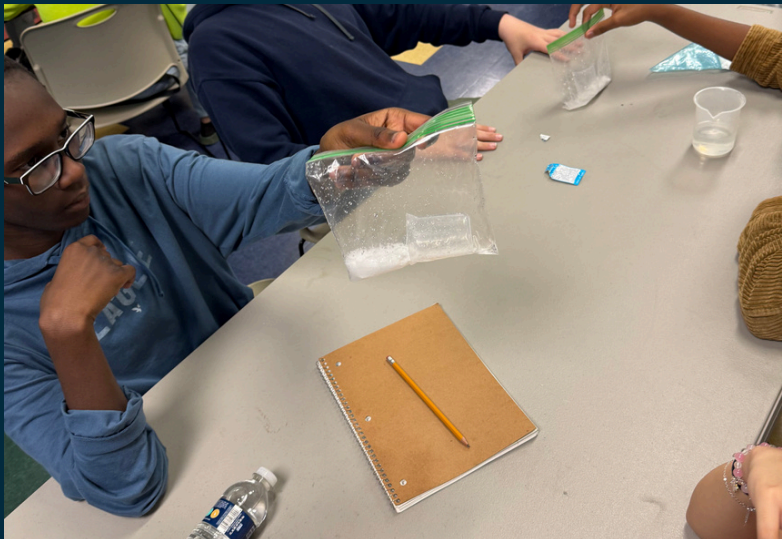

>>> STATE TESTING

State testing is nearly complete at Jefferson Township Jr./Sr. High School, and we are incredibly proud of the hard work our students have shown. From English Language Arts to Math and Science assessments, students have demonstrated focus and determination. We look forward to seeing the growth and improvement reflected in this year's results, and we appreciate the support from our staff and families.

BOONSHOFT MUSEUM

On April 7th, students from Jefferson Township Jr./Sr. High School had the opportunity to visit the Boonshoft Museum of Discovery. Students got the chance to explore the various sections like the a planetarium, a zoo, natural history , interactive science demonstrations.
