

Instructional Technology Advisory Committee
(ITAC)

Thank you for being a part of the ITAC committee!

The purpose of the Instructional Technology Advisory Committee is to provide input on various topics such as hardware, software and general practices as they relate to instructional technology and responsible use as outlined in the [District Strategic Plan](#) Objective V : Technology and Digital Citizenship.

Our first meeting will be **April 15th at 4:00** To help accommodate schedules and travel this meeting will be virtual. We will begin working on reviewing and creating Digital Honor Codes for each level, Elementary, Middle, High and beginning work on our own documents that can be put in place for next school year. You have access to the folder we are working in that has some examples of Honor codes. Please look over these and feel free to add other examples if you would like.
