Principal Dr. Lisa Peele

Assistant Principal Patrick A. Bello

Dear Parents and Guardians,

As we approach the end of the school year, we want to inform you about the upcoming End-of-Grade (EOG) tests and their associated re-administration dates. These assessments are essential in measuring your child's academic progress and ensuring they are on track for success in the next grade level.

EOG Test Dates:

- May 28: ELA/Reading
- May 29: Mathematics
- June 3: Science
- Re-Administration Dates for Non-Proficient Students:
 - June 4: ELA/Reading
 - June 5: Mathematics

The purpose of the re-administration opportunity is to provide students with additional targeted support [remediation] to help them achieve mastery of content before progressing to the next grade level and/or subject. *Student scores for EOG reading and mathematics results will be accessible in the PowerSchool parent portal starting on May 31st. Science scores (for grades 5) will be released at a later date.*

If you have any questions regarding the EOG tests or re-administration dates, please contact Mr. Bello at 910-347-1261

Thank you for your continued support in your child's education.

Sincerely,

Patrick A. Bello
Assistant Principal
Clyde Erwin Elementary Magnet School
