

# LONG-RANGE FACILITY PLANNING COMMITTEE RECOMMENDATIONS AND **CAMPUS CONCEPTS**

Aligned Student Opportunities, Modern Spaces, Stronger Communities

## LONG-RANGE FACILITY PLANNING COMMITTEE BACKGROUND

After meeting for more than two years, the Long-Range Facility Planning Committee (LRFPC) consisting of parents, community members, students and staff is ready to present its recommendations to the Eanes ISD Board of Trustees.

The comprehensive plan to transform Eanes ISD's facilities ensures existing buildings can meet the evolving educational needs of students and faculty, as well as adapt to changing demographics and future enrollment trends. Committee chairs will introduce concepts for all campuses, with a visionary, thoughtful, responsible approach to set the course of Eanes ISD for the next 50 years.

## HIGHLIGHTS

- Smaller footprint, more green space
- Improved traffic flow for buses & cars
- Collaborative learning spaces and classrooms with natural light
- Parking garages & additions
- Expanded cafeterias, fine arts & athletics spaces
- Sufficient student & staff restrooms
- Fields & facilities for rental revenue
