Dear Ms. Appling-

It has come to our attention that you are requesting this information to conduct a research project entitled "*Effect of One Schoolwide Breakfast Program on Student Attendance and Performance on Standardized Assessment.*" Before we can proceed further with your FOIA request you will need permission to conduct research with BCSD. Please complete the required Request for Research Application that can be found here: https://www.beaufortschools.net/about-us/departments/instructional-services/guidelines-and-procedures-for-conducting-research-affiliated-with-beaufort-county-schools. Once you have filled out the application, please send it to Denise Hook (who is copied on this email) who will route it to Chief Instructional Services Officer, Dr. Mary Stratos for review.

Regards,
Candace

Molly Godley,

Thank you for your response. I am specificly needing the student attendance for the schools that participated in the free meal (breakfast/lunch) program for the following grades: 4th, 8th, 11th and 12th grades for the 2021-2022, 2022-2023 and the 2023-2024 school years broken down by demographics if possible. If the same data for the first half of the school year 2024-2025 is available I would appreciate it.

Also, could I have attendance data by grade level for high schoolers. For example would you be able to send the District's 9th grade students' average daily attendance for the 2021-2022, 2022-2023, 2023-2024 and 2024-2025 school years? As well as 10th grade, 11th grade, and 12th grade?

Thank you in advance,
Adrienne Appling

Dear Ms. Appling,

Please consider narrowing your request to be more specific to include information about each record sought. For instance, are you looking for the average daily attendance for the district, including both students and staff, or do you require demographic information, grade levels, and/or breakdowns by school for the students? Please let me know how you would like to proceed.
