## **2023–24 School Accountability Report Card**

### **Reported Using Data from the 2023–24 School Year**

#### **California Department of Education**

**Address:** 14135 Main St., Ste. 201  
Hesperia, CA , 92345-4675

**Principal:** Sharnita Moore, School Coordinator

**Phone:** (858) 678-2045

**Grade Span:** 7-12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

## Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

#### About Our School

Mirus Secondary School is an independent study program for students in grades 7-12. Mirus implements a personalized education program to facilitate academic achievement. Mirus offers students a personalized and rigorous academic experience with high quality staff in a supportive and safe environment. These educational programs will demonstrate that standards-based educational reform can provide a prototype for changing the way teachers teach and students learn in the future.

Mirus is specifically aimed at engaging students whose futures are at-risk because they were not successful in school, and/or for those who seek an option to the traditional school setting. Mirus students may be challenged by focus/attention deficit, a need for extensive counseling, and fear of failure due to negative experiences in traditional school settings. Such students may be gifted with enormous potential yet be frustrated by traditional educational methods. Mirus offers instruction customized to meet students' individual needs. Mirus' overall program goals are to:

- Improve academic achievement
- Increase the number of students who stay in school
- Increase the number of students who earn a high school diploma
- Build student leadership skills and improve confidence
- Encourage student's sense of civic responsibility
- Ensure that students are knowledgeable about potential career options

Mirus believes "kids come first". Education is standards-based, rigorous, and personalized.

Education is provided by a community of high-quality professionals who are committed to student learning. The primary method of instruction is independent study supplemented with online courses, guest speakers, tutoring, and field trips. Mirus students study one subject/course at a time. Within these parameters, students can progress at an individual pace, receiving tutoring or enrichment as needed. Mirus students earn course credits and attendance by successfully completing the prescribed lessons that demonstrate mastery of the state standards.

Please Note: Mirus Secondary School is a DASS school (Dashboard Alternative School Status) which uses modified methods of measurement for indicators that are aligned with the evaluation rubrics of the Local Control Funding Formula (LCFF) to evaluate the success or progress of schools that serve high-risk students. To be eligible for DASS, schools must have an unduplicated count of at least 70 percent of the school's total enrollment comprised of high risk student groups including: Expelled, Suspended, Wards of the Court, Pregnant and/or Parenting, Recovered Dropouts, Habitually Truant, Retained more than once in kindergarten through grade eight, students who are credit deficient, students with a gap in enrollment, students with a high level of transiency, Foster Youth, and Homeless Youth. As an alternative option, students enroll with Mirus to address credit deficiencies.

**A. Conditions of Learning**

**State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## Teacher Preparation and Placement (School Year 2020–21)

# School Facility Conditions and Planned Improvements

Mirus Secondary School's resource centers are exceptionally attractive, clean, safe, and orderly. Every resource center is fully equipped with student computers linked to the Internet, teacher laptop computers, audio-visual equipment, individual teacher telephones, bookshelves, textbooks, storage, alarm systems, smoke detectors, tables, chairs, and teacher desks.

School Facility Good Repair Status

Mirus Secondary School's resource renter facilities are reviewed for good repair status on an ongoing basis with a robust operations department. All Mirus Secondary School's resource center facilities are in good repair status.

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students taking and completing state-administered assessments Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard**

Mirus Secondary School is designated by the state as a Dashboard Alternative School Status school. DASS schools have at least 70% of the school’s total enrollment comprised of groups that are at high risk of dropping out of school. These groups include students who are suspended, expelled, wards of the court, pregnant/parenting, recovered dropouts, and/or habitually truant.

Subject	School 2022– 23	School 2023– 24	District 2022– 23	District 2023– 24	State 2022– 23	State 2023– 24
English Language Arts / Literacy (grades 3-8 and 11)	36%	42%	29%	28%	46%	47%
Mathematics (grades 3-8 and 11)	10%	11%	17%	17%	34%	35%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

## Career Technical Education (CTE) Programs (School Year 2023–24)

Career Technical Education (CTE) opportunities vary according to the students' goals. Student strengths, interests and values are discussed with the student and parents and become part of the Pathways Personalized Educational Plan (PPEP). Mirus Secondary offers more than 50 CTE courses and 11 Career Pathways in either an independent study or online environments. 44 of those courses are UC A-G approved college prep electives. 9 of the CTE Pathways courses are articulated with a community college for college credit. All CTE courses are aligned to the CTE Model Curriculum Frameworks with embedded CCSS for College and Career Ready Readiness. Eleventh and twelfth grade students research career paths and post-secondary career options to compile an electronic portfolio as part of a required senior course called "Pathways Exhibition" which leads to a Workforce Readiness Certificate that had been developed with the City of San Diego. Counselors, teachers, career resource speakers, administrators and parents provide assistance in the educational and career decision making process. Because of the flexibility in this school's schedule, students are able to work while traditional schools are in session, which broadens the range of job opportunities and work-based learning available. The school allows students the freedom to participate in community events and encourages them to volunteer. In order to broaden their experience and prepare students for the transition from school to career, students who remain at Mirus until graduation are required to earn two credits in a specified CTE course, Service Learning, or in our state approved General Work Experience Education (WEE) courses. In this way, students have the chance to experience the world outside school as either volunteers or while learning a career skill on their path to becoming College and Career Ready.

## Career Technical Education (CTE) Participation (School Year 2023–24)

Measure	CTE Program Participation
Number of Pupils Participating in CTE	120

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

### Opportunities for Parental Involvement (School Year 2024–25)

Parents become involved in their children’s education at Mirus Secondary School from the beginning. Parents are a part of the initial meeting with the teacher when they learn school requirements. Together with the student, they develop each student's unique Pathways Personalized Educational Plan (PPEP). Parents are encouraged to call and make appointments at any time; parents are involved in their child’s education on a daily/weekly basis. Parents are encouraged to give feedback through the annual LCAP parent survey, open houses, senior exit orientation meetings, master agreement signings, board meetings, and graduation.

## **School Safety Plan (School Year 2024–25)**

The safety plan is updated and approved annually. It includes disaster procedures, procedures for safe entry and exit of pupils, procedures for serious disciplinary problems, lockdown procedures, loitering law, going to and from school safely, zero tolerance policy, emergency resource information, emergency disaster kit, and emergency quick reference guide. A sexual harassment policy, child abuse reporting procedures, school dress codes and the school discipline policy are also included. Regular safety drills are conducted and recorded three times per year.

### Professional Development

Mirus Secondary School offers its workforce a comprehensive professional development system. The system is based on student achievement data, California state mandates, federal regulations and mandates, and the best pedagogical practices. In short, the plan provides a school within a school for the purposes of teaching and learning to deepen teachers' content knowledge, and to increase teachers' knowledge of the standards and instructional methods based on student results in a hybrid environment. It was designed to fulfill Mirus's professional development needs to produce a rigorous academic and professional experience for teachers, clerical and classified staff. In addition, all personnel are encouraged to attend seminars and workshops offered by local universities, the San Bernardino County Office of Education (SBCOE), and professional associations. Staff participates in regular professional development based on the needs of students and organizational outcomes as outlined in the Strategic Plan and the Local Control Accountability Plan. At a holistic level, Mirus's professional development also provides support for all employees to develop skills and techniques crucial to their personal lives as they work toward a healthy work/life balance. The school adheres to the requirement for the annual number of school days dedicated to staff development per Education Code 33126(b)(9).
