1. Welcome – Rob welcomed all committee members.
2. Review and approve February meeting minutes – The meeting minutes from February were reviewed. Denise motioned to approve the minutes, Celeste seconded the motion. All were in favor and the minutes were approved.
3. Denise led a discussion on the 2025-2026 Trusts Land proposed budget. She discussed lowering class sizes in Math, English and Science or targeted groups, and hiring a success coordinator for Mustand Success and Mustand Academy. Denise also talked about paying for after school tutoring. A suggestion was made to also offer morning tutoring. It was asked and answered that there is incentive for students to do well on the ASPIRE test by getting a grade bump if they get a 4 or 3 on the test. Tom finished the discussion about the need for a mental health person at Mountain Crest. Aylana Baker has been at the school full time this year and has had a positive impact on many students.
4. Tom went over the testing schedule for next month as well as the adjusted class schedule to make sure students are able to test in the classrooms where they took the class.
5. Wendy brought up Dual Immersion Program. She has talked to Denise about DLI. Tom said there was a meeting addressing the possibility of moving Spanish DLI to MC and what changes may be made. No decision has been made yet but he will keep us updated.
