Betsy Clark (Secretary)
Dave Clark
Ryan Hobbs
Celeste Huss

Others:

Sharon Kunzler
Wendy Osborne
Michelle Scott
Ysabel Segovia
Sari Sparks
Dallas Stahle

Tom Williams
Darren Perks

1. Welcome – Rob Phelps welcomed all committee members.
2. Review and approve March meeting minutes – The meeting minutes from March were reviewed. Michelle Scott motioned to approve the minutes, Denise Mouritsen seconded the motion. All were in favor and the minutes were approved.
3. Discuss the 2025-2026 Plan / Budget – The technology portion of the budget for the current year has been fully expended per our plan. Mountain Crest has been paying fully for a mental health counselor. Going forward the district will be paying for ½ of this cost so Denise will submit an amendment to our plan and move those funds over to paying for a full-time college and career awareness counselor. Denise also passed around our plan with the budget and the signature page for all members to review and sign.
4. Committee members for next year – The community council must have more parents on the committee than school employees. Currently we have 10 community members and 3 school employees. All members will let Denise know by the May meeting if they will be returning next year to be on the counsel. Denise will also send out an email inviting parents to join community council.
5. School updates – Aspire testing is going very well so far. The adjusted school schedules allow for students to take the tests with the teachers that they had for each subject during regular class time. So far, the science section is the only one that has been completed. More students were tested than last year, fewer students have been opted out of testing and the scores are 14% higher than last years scores. ACT readiness has also improved over last year.

Mountain Crest implemented a no cell phone policy this school year and that has been going really well. Next school year there is a new state law for no cell phones in the classroom.

6. Other – There were no other items discussed.

Next Meeting: May 20, 2025 7:00 a.m.
