Ashwaubenon Hires Dave Stroud as Girls Soccer Coach

Ashwaubenon, WI – November 18, 2024- Ashwaubenon High School has hired Dave Stroud as the next girls soccer coach at Ashwaubenon High School.

Activities Director/Associate Principal Nick Senger said, “Dave is a teacher in our building and has been involved with our soccer program as an assistant to the varsity and head JV coach for the past three seasons. He has coached in Ashwaubenon Youth Soccer and served as our head JV coach in both the boys and girls programs. He is dedicated, loyal, and willing to put in the time to help our high school girls reach and surpass their potential. As a teacher in the building, he has the advantage of connecting with our student-athletes on a daily basis. We are fortunate to have Coach Stroud taking over the girls program.”

Stroud said about being named coach, “I’m incredibly excited and honored to be named the head coach of the Ashwaubenon High School girls soccer program. This group of athletes has so much potential, and I’m looking forward to working with them to build on the foundation that’s already been laid. My goal is to help these young women grow not only as players but also as individuals, both on and off the field. Together, we’ll push the program to new heights and create a lasting culture of excellence, teamwork, and passion for the game!”

Coach Stroud has been holding open gyms since the start of the school and has already built a good rapport with the team.
