Dr. Andrew Bake Named Next Ashwaubenon School District Superintendent

Ashwaubenon, WI – January 14, 2025-

The Ashwaubenon School District is pleased to announce Dr. Andrew Bake as the new Superintendent of Schools, effective July 1st. With a proven track record of leadership and a deep commitment to academic excellence, Dr. Bake will lead the district into the next phase. School board president, Jennie Vyskocil, says that she “is excited for this next phase of Ashwaubenon, because Dr. Bake is insightful, organized, and most of all student-centered. We are thrilled to have him at the helm of our district”.

Dr. Bake brings 23 years of experience in education, having served in various leadership roles in Ashwaubenon. Before being the district curriculum director, he served as the Valley View principal, associate principal, and teacher. He holds a Doctorate in Educational Leadership from Edgewood College, a Master's Degree in Educational Leadership from Marian University, and a Bachelor's Degree in Elementary Education from the University of Wisconsin Green Bay. His wealth of experience and knowledge will be instrumental in his new role.

“I am honored that the board has selected me to carry on my work with our students, families, staff, administrative team, and board of education to maintain Ashwaubenon’s rich history of excellence in education,” said Dr. Bake. “Using the strategic plan our community developed last year to guide my work, I look forward to continuing to work tirelessly with our outstanding staff to increase student achievement and maintain an environment that provides opportunities for the success of all of our learners.”

Bake went on to say, “Having worked in Ashwaubenon for twenty years as a teacher, building administrator, and district curriculum director, I am humbled to serve as superintendent in the community I love. While I know we will face challenges, I also believe that we can overcome whatever challenges the future may hold through collaboration and a shared focus on our students. I look forward to working together to ensure every Ashwaubenon student will achieve their full potential.”

As Superintendent, Dr. Bake will focus on increased student achievement, predictable systems for our students and families, and maintaining the outstanding relationships the district has with the Village of Ashwaubenon and community partners. The district is confident that under his leadership, the Ashwaubenon School District will continue to provide exceptional education and create opportunities for every student to succeed.
