All Library Books Due Tomorrow

We are happy to report that students checked out over 13,000 books throughout this school year. All library books are due tomorrow—May 12—so please make sure to return or replace all library books this week. Keep reading over the summer, and we look forward to seeing you next year!

Sign Up for Camp Letters From St. Francis by May 30

Fr. Bob Wismer, Dr. Chelsea Collins, Hope Hooper, Rev. Katie Gould, and Mtr. Emily Hylden would love to send a note to your child when they are at camp this summer. Please use **this form** to submit a request. You must complete a separate form for each child. The deadline for submission is Friday, May 30.

Note From the Nurses: Pick Up Medications Before School Ends

If your child has medications in the clinic, either prescription or over-the-counter, the medication(s) must be picked up by a parent/guardian no later than the last day of school. If you plan to travel and leave before the last day of school, the medication must be picked up on your child's last day of school.

- All medications left in the clinic past the last day of school will be discarded, as the clinic has to prepare for next school year and does not have the capacity to store medications over the summer.
- **If your child is attending Summer on the Point, the emergency medication still needs to be picked up and given to the nurse working this summer.**
- The clinic contacts are as follows:
    - **Lower School and Middle School:** Fay Gant/Anna Klauer at 713.458.6128
    - **Primary School:** Madeleine Tiemann at 713.458.6167
    - **Upper School:** Madeleine Tiemann at 713.458.6445

Register Now: SFSA Soccer for Grades PK–5

Students in pre-K through fifth grade are invited to register for soccer through the St. Francis Sports Association (SFSA). An outreach mission of St. Francis Episcopal Church, SFSA serves children from the St. Francis community, including the church and St. Francis Episcopal School, as well as from the surrounding area.

- SFSA sponsors teams in soccer, basketball, baseball/softball, and volleyball. While the school offers sports programs to students beginning in the sixth grade, the SFSA-sponsored teams allow for younger children to participate in team sports.
- SFSA's goal for participants is simple—to have fun while learning the basic skills of the sport, all in a Christian environment.
- **Click here to learn more and to register for SFSA soccer**, which is offered through Texas Kingdom Christian Sports Association.
- For assistance with registration, **contact Loure Dews-Gray via email** or at 832-640-2633.

Eighth-Grade Chapel Is Tomorrow: Families, Be Sure to RSVP

Tomorrow—Monday, May 12—we will hold a special Chapel honoring the eighth-grade class as they prepare to move on to high school. Many parents have fond memories of attending Chapel with their students in years past, so this service will be both nostalgic and hopeful. It will be an occasion to reflect on the journey thus far and to prayerfully send students into the future, filled with hope and empowered by the Spirit of the living God. If you haven't already, please RSVP via the link in the previously emailed invitation so that we can ensure adequate parking and seating.

Powder Puff Football Game Is Thursday: Bring Cash for Concessions

This Thursday, May 15, the annual powder puff football game will be played. The eighth-grade girls will take on the seventh-grade girls for bragging rights! Middle

Schoolers will attend and cheer on the teams. All concessions inventory will be sold for $1, so bring your cash or Apple Pay. Please note: This is a student-only event.

Important Note About Student Laptop Re-imaging

To ensure all Middle School laptops meet the school's security, privacy, and management standards for next school year, the Technology Department will re-image all student laptops in June 2025. This will not affect Google, Outlook, or Veracross accounts, and parent accounts will not be affected.

- Students will bring their laptops to the Tech office after their last test.
- You will receive a service desk ticket when we start working on your laptop and a communication from the Technology Department when the work is completed.
- If you have specific needs for pickup, please respond through your ticket or call 713-458-6400 for status updates.
- Friday, June 27, is the last day laptops can be picked up this summer. Laptops left after this date can be picked up beginning Monday, August 4.

Student Laptop Filters and Monitoring

- The current filters on your child's device will remain on your students' laptop for the summer.
- The school will not monitor student use during the summer.
- Responsibility for monitoring student use while school is not in session falls on the parents and guardians of that student.
- We strongly encourage you to use parental controls on all Internet-enabled devices and to talk with your child about your family's expectations around healthy and safe technology use. Feel free to reach out to Steve Johnson, Director of Instructional Technology, if you have any questions.
