# Dollars & Sense

1. Funding: District will **NOT** see additional taxpayer funds beyond standard tax levy. Instead PRHS funded via:

- District committed [**'Needs'**]: sourced by Alternate Revenue Bonds (*funded by via State sources*) & fiscally responsible decisions over the past few years;
- Capital campaign [**'Wants'**]: to help raise add'l funds to expand the district goals outlined in the strategic plan;
- District general fund [**'Contingencies'**]: emergency fund to manage financial risk within current project scope.

2. Tax deductibility: “charitable contributions to governmental units are tax-deductible under section 170(c)(1) of the Internal Revenue Code if made for a public purpose.” District 155 will be providing a receipt for all donations received.

*(We advise donors to consult with their tax professionals regarding the effects of their capital contributions on their individual tax situations.)*

3. Agreements: existing intergovernmental agreements will be honored; new agreements with feeder programs will be explored to expand stadium access.

4. Transparency: monthly board bills posted & board approved.

PRAIRIE RIDGE HIGH SCHOOL

## Progress with Purpose Capital Campaign

Your donation will *transform* athletic and extracurricular facilities to *inspire and engage all students*.

These enhancements will improve accessibility and safety while addressing erosion and drainage issues by installing new turf, resurfacing the track, and expanding seating capacity. The new turf functionality will be expanded to better accommodate band and colorguard, flag football, lacrosse, P.E. classes, soccer, special olympics, and track and field. Together, we can build a stronger foundation for student success.

## Make a Difference

### Dear Prairie Ridge Supporter,

Your support will help students connect to school, each other, and brighter futures. When students participate in sports and activities, they perform better academically, and their sense of belonging grows.

With your help, we can enhance the experience for our students, athletes, fans, and community. Stadium renovations will allow District 155 to make better use of fields and facilities and support the growing demand for extracurricular programs.

District 155 approved a \$13.3 million alternate revenue bond to partially fund the renovations at all four high schools. The capital campaign will

The Prairie Ridge Capital Campaign funds will be used to expand the project scope primarily in the following areas:

- Ticket Booths
- Restroom & Common Area Expansions
- Gathering Space Beautification
- Safety & Security Enhancements
