YMCA CHILD CARE AT CENTERVILLE CITY SCHOOLS

EDUCATE WITH EXCELLENCE

THE Y IS SO MUCH MORE THAN A GYM & SWIM

The YMCA of Greater Dayton is a local partner in your community working to make collective impact. The YMCA has been serving the greater Miami Valley since 1858.

The YMCA Core Values are reflected in Character Education:

- **Caring** – Strengthening relationships through intentional interactions (Red like your heart)
- **Honesty** – Be truthful in your words and actions (Blue “True Blue”)
- **Respect** – Be open and understanding to all (Yellow “Golden Rule”)
- **Responsibility** – Be accountable for both your promises and actions (Green like the environment)

GOAL: LEARN. GROW. THRIVE.

The Y's licensed Before and After School Care Program's **primary focus is to provide a safe and nurturing environment** that can provide children social & emotional growth opportunities. We also want to provide parents a peace of mind knowing that surrounding their child's academic day they will take part in a multitude of enrichment activities to keep them positively engaged. The YMCA also **is flexible to meet the ever changing needs** of our community and our families.

The YMCA uses focus areas of curriculum that **intentionally fosters youth development** through a range of activities focused on helping youth achieve, build relationships and feel like they belong.

Childcare Staff are BCI & FBI background checked through the State of Ohio WebCheck system. Any volunteers or shared district staff would also be included in the WebCheck process. All childcare staff receive a minimum of 36 hours of Professional Development with additional ongoing continuous educational trainings. Trainings include: state of Ohio Training, CPR/First Aid, Communicable Disease, Child Abuse Recognition and any district trainings suggested to meet the children's and program needs.
