

## Administration

**SUBJECT: CONSULTANTS**

Consultants (whether they be temporary, part time, or full time workers) shall exercise no administrative authority over the work of employees in the District, but shall act only as advisors in those fields in which they are qualified to offer expert assistance.

All administrative supervision of consultants shall be in the hands of those to whom such responsibility has been specifically delegated.

**Staff Advisory Functions**

The Superintendent of Schools may involve staff in assisting with the development of policy recommendations and/or program or operational decisions.

Commissioner's Regulations Section 80.4
