Magnifying Abilities Policies and Reminders

First Time Participants

Participants must be accompanied by a staff or family member for the first few events.

Some participants may need a family member or home staff to attend with them indefinitely due to medical, safety, or behavioral needs.

Guidelines for Participating in Activities

The following guidelines have been developed to ensure participants' safety and enjoyment. The Magnifying Abilities staff supervising each activity will enforce these guidelines.

- Show respect to other participants, families, and staff by using appropriate language, respecting personal space, and avoiding an activity that could cause physical or emotional harm to others.
- Be able to navigate in a large facility or crowd if attending independently.
- Be respectful of and responsible for the facilities used for events/classes.
- Avoid activities that may hurt or injure other participants (physically or emotionally).
- Be able to take care of personal hygiene.
- No consumption of alcoholic beverages is allowed at any MA events by participants, family members or staff.

If concerns arise regarding participants, the supervising Magnifying Abilities staff will discuss the situation with involved parties. If needed, families, home staff, or other individuals will be contacted regarding the incident. If issues cannot be rectified, individuals may be required to attend activities with a supervisor or will be asked to not attend the activity for a period of time.

Expectations of Participant's Companions

- Address all behavioral / physical needs that arise with only your participant.
- Cell phone on silent mode.
- All district properties are tobacco and alcohol free.
- Speak respectfully to all participants.
- Notify Magnifying Abilities staff of any issues with other participants.
- Only give permission to your participants regarding restrooms/leaving activity.

Dietary Concerns

Please share dietary concerns with the Magnifying Abilities Specialist prior to attending events. Magnifying Abilities cannot guarantee all diet requests will be accommodated at our events, but we will attempt to provide alternatives if possible. Participants with special diet concerns are also welcome to bring their own food to any MA event at which food is provided, unless otherwise indicated.

Drop Off/Pick Up

For the safety of our participants, staff, parents and care providers are required to accompany the participant to and from the activity area. Please arrive no sooner than 15 minutes prior to the start of events, or as indicated in the course confirmation email. If dropping off participants, please pick up promptly at the scheduled activity conclusion time.

Changes and Cancellation Policy

All Magnifying Abilities events are subject to changes and cancellations. In the event that MA needs to change or cancel an activity, we will notify registered participants via our Facebook group, email and/or phone. A full voucher refund will be provided for the event if canceled by Magnifying Abilities. Cancellation decisions made by outside vendors (i.e. trips, tours, sporting events) will not be subject to refunds. If the event location needs to be changed, but held on the original date, no refund will be provided.

If a participant needs to cancel his/her registration prior to the cancellation deadline, please call (952) 556-6434 for a full voucher refund. Cancellation deadlines are listed with each event description. Magnifying Abilities cannot issue refunds after the cancellation deadline.
