

2025 SUMMER SOAR

SUMMER CAMPS, PROGRAMS AND ACADEMIC SESSIONS

SOARING TO SUCCESS

JUNE 2, 2025 - JULY 17, 2025

MAKING SUMMERS MATTER / SMARTER SUMMERS = BRIGHTER FUTURES

SUMMER SOAR HOTLINE (803) 400-1692 • #KEEPKIDSLearning
FOR CAMP INFORMATION AND REGISTRATION, VISIT WWW.RICHLANDONE.ORG/SOAR

A MESSAGE FROM THE SUPERINTENDENT

Dear Richland One Parents and Guardians,

It's not too early to start planning what your children are going to do this summer. We want to ensure that they have fun while continuing their learning journey!

Richland One's Summer SOAR 2025 will kick off Monday, June 2 and run through Thursday, July 17 under the theme "Soaring to Success." Summer SOAR camps, programs, and academic sessions will be available at elementary, middle and high school locations throughout the district.

Our Summer SOAR initiatives are designed to address summer learning loss, often referred to as the "summer slide." These programs provide structured activities that not only enhance students' academic skills but also cater to their interests.

Summer SOAR is focused on preparing students for the next academic year by offering enriching learning experiences. Whether you choose a one-week program or the full five weeks, students can expect excitement, motivation and exploration. You can customize your children's Summer SOAR experiences by mixing different programs and by taking advantage of early-bird registration and extended child care options.

Details about the programs and registration instructions are in this brochure. Register your children for Summer SOAR today!

If you have any questions, go to www.RichlandOne.org/SOAR or call our Summer SOAR Hotline at (803) 400-1692.

Sincerely,

Craig Witherspoon, Ed.D.
Superintendent

Secure firearm storage protects your family

Gun violence is the leading cause of death for kids in the US. The best way to be sure your kids can't access firearms is to store them securely.

Here's how to Be SMART and protect your family:

S

Secure all guns in your home and vehicles

M

Model responsible behavior around guns

A

Ask about unsecured guns in other homes and vehicles

R

Recognize the role of guns in suicide

T

Tell your friends and neighbors to be SMART

Keeping your firearms secure saves lives.

Safely Soak Up Sunshine

www.prismahealth.org/flourish

Sunlight is an important ingredient for making vitamin D, which keeps our bones strong, fights disease and helps prevent some cancers. Sandra Hardee, MD, Prisma Health, recommends 10-20 minutes of sun exposure daily, but to still be aware of the sun's harmful UV rays. She offered these sunscreen tips to consider.

1. Good as new. Buy sunscreen each year and make sure it protects against UVA and UVB rays.
2. More is better. Apply SPF 30 or higher at least 20–30 minutes prior to sun exposure and reapply every two hours. The sun is strongest from 10 a.m. to 4 p.m., or when reflected by water and sand, so reapply sunscreen more often. No sunscreens are truly waterproof.
3. Keep close. When using a spray-on sunscreen, spray close to skin for best coverage and do not use around your mouth, eyes and nose. Use creams or roll-ons around those areas.
4. Cover your bases. Cover your entire body including ears, between the toes, and underarms with sunscreen. Use a lip balm that blocks UV rays.

Taking care of our students

Clinical services

Students with non-emergent health needs can be connected to a Prisma Health provider through telehealth equipment and the school nurse. This does not replace primary care. Visits require a written consent form on file. Prescriptions may be sent to the pharmacy of choice following the visit.

This service is available in select Richland One schools. Contact your school nurse to learn more.

Education programs

Prisma Health provides supplemental health education to students in grades 2–5. This is done through online and live streaming options in participating Richland One afterschool programs.

Students taking part in online education programs in the 2024-2025 school year showed an average of 11% knowledge increase of healthy behavior topics and increased water intake and healthy eating.

Summer SOAR Frequently Asked Questions

Question	Answer
What is Summer SOAR?	Summer SOAR is a full-scale, cross-developmental level, and multi-faceted summer academic and enrichment “umbrella” of programs spanning the entire summer break period. Summer SOAR is not one program; rather, it is an array of summer programs and summer camp options offered by Richland One.
How do I register for camp sessions?	To register for Summer SOAR camp sessions or programs, please review the program offerings included in the Summer SOAR brochure (pages 6-14). Additionally, Summer SOAR camp and program information is posted on the district’s website at www.richlandone.org/SOAR . (Note: Hyperlinks to specific camps and programs will be provided to assist you in navigating through the registration process).
How do I know if my child qualifies for the Summer Learning Academy?	Students who qualify for the Summer Learning Academy will receive invitations to the program from their schools. A registration form will be included with the invitation and must be returned to the school by the date specified on the form.
Do Summer SOAR Programs operate on Fridays?	No. Summer SOAR follows the established Richland One summer work schedule, which is Monday through Thursday. On Fridays, all Richland One schools and district offices will be closed. Some child care vendors and program vendors will provide Friday off-site options. For specific details, please contact the respective camp or program point-of-contact listed in the Summer SOAR brochure (pages 11-14).
Is there a fee for the Summer SOAR programs?	The Summer SOAR umbrella of summer camps and programs includes fee-for-service programs and no-cost programs. Please refer to the Summer SOAR brochure (pages 6-14) for information pertaining to camp or program costs.
Are scholarships available for Fee-for-Service programs?	No. Scholarship opportunities are not available for fee-for-service programs, unless students qualify under a McKinney-Vento designation.
Will Summer SOAR programs operate the week of Fourth of July?	No. During the Summer SOAR Intersession week (June 30, 2025 – July 4, 2025), summer programs and camps will not operate. All Richland One district offices also will be closed during this period.
Are Summer SOAR programs open to students and adults?	The Summer SOAR “umbrella” of summer camps and programs includes options that span from pre-kindergarten to adult learners. Please refer to the camp offerings (pages 6-14) which details the target audience for each camp or program.
Will transportation be provided?	Yes, transportation will be provided for select programs. Please contact the program point of contact to learn if the specific camp or programs of interest offer home-to-school or school-to-home transportation.
Are extended-day or early-bird options available?	Yes, but extended-day and early-bird options are available at the elementary level only. Contracted child care vendors will be hosted at each of the elementary cluster sites. These child care vendors welcome early-bird or extended-day program participants. Child care vendors will collaborate transitions with other site-based Summer SOAR Programs to ensure students’ smooth transition from early bird to regular day or from regular day to extended day care. Early-bird and extended-day program offerings will be provided at a pro-rated fee set by the child care vendor. Early-bird sessions begin at 7 a.m. and extended-day sessions conclude at 6 p.m.

Question	Answer
Can I combine programs (for example, to have a full-day Summer SOAR experience for my child)?	Certain restrictions apply but, where allowable, students can participate in various programs at the designated cluster site. Please consult with the specific Summer SOAR program point-of-contact to discuss these options.
What is a “cluster site”? Why is the Summer SOAR program of interest not hosted at my child’s home school?	In an effort to leverage resources, only designated schools will be open to host the array of Summer SOAR offerings at the chosen site. The selected cluster “hub” site will host the array of schools within the “horizontal” cluster. There will be ten, horizontal elementary cluster sites. All secondary (middle and high) schools will operate at their respective campuses. Please refer to the Summer SOAR brochure (page 3) for cluster site information.
What does my child need to bring to any Summer SOAR program session camp/or program?	For specific camp or program required materials, supplies, etc., please contact the respective camp or program point-of-contact listed in the Summer SOAR brochure.
Will my child have access to his/her electronic device during the selected Summer SOAR program?	Access will vary based on the Summer SOAR program or camp. For academic programs, electronic devices will be distributed to the students through a transfer from their home school site. The respective curriculum/activities of the Summer SOAR program will dictate whether devices will be utilized. If the devices are not provided, students who need access to technology will receive these resources through other means, such as through existing labs, virtual simulations, etc.
Will meal service be provided?	Meal service and/or snacks will be provided for all Summer SOAR programs and camps. The meals and/snacks provided are federally-funded and provided through the U.S. Department of Agriculture’s (USDA) Summer Meals Program. Either breakfast/snack or lunch/snack options will be provided to camps and programs. The Summer SOAR meal/snack program is federally funded through the S.C. Department of Education which allows the district to serve meals to students during the afterschool and extended-year program. Additionally, as an amenity to ensure healthy living and eating, Summer SOAR host sites will sponsor summer meal programs where meals are provided for members of the community ages 18 and under.
Does my child have a virtual option to participate in Summer SOAR?	Most of this year’s Summer SOAR Programs are face-to-face and will be based at the cluster sites or specified school sites. Please contact the respective program point-of-contact directly to obtain information about eLearning/virtual options.
Who should I call if I have questions?	To ensure that parents/guardians and program participants receive optimal customer service, a Summer SOAR Hotline will open from 8 a.m. – 6 p.m. Monday, March 3, 2025 through Thursday, August 1, 2025. The Summer SOAR Hotline is a resource to obtain information about how to navigate through the Summer SOAR menu of program options, and pose questions pertaining to the menu of programs or logistics. The Summer SOAR Hotline will be staffed with a customer service representative to assist you. The Summer SOAR Hotline number is (803) 400-1692.

Water Safety Tips

Swim in designated areas supervised by lifeguards.

Always swim with a buddy.

If you go boating, wear a life jacket!

Install and use barriers around your home pool or hot tub.

Actively supervise children whenever around the water.

Always stay within arm's reach of young children and avoid distractions.

Reach or throw aid to distressed swimmers – don't go!

Keep toys not in use away from the pool and out of sight.

Be water safe this summer. redcross.org/watersafetytips
