Athletic Liaison Report 5/15/2025

Softball: Softball finished their season last week by hosting Biglerville this past Wednesday. Softball had a rebuilding season this year with a generally young team with only 4 seniors on the team. They finished the season with a 6-15 record.

Baseball: Baseball finished their season last week on Wednesday with a win over Biglerville, which made their overall record 9-11. After starting the season with a tough stretch, the boys finished the season on a strong note with a 3-game winning streak.

JV Baseball: JV was able to get 11 games played this season. With only having one field on campus, there are many challenges that come with trying to schedule JV games and practices, however thanks to Paradise Park and the flexibility of our coaches we were able to get a good amount of playing opportunity to our younger baseball players this season.

Boys Tennis: Tennis finished their regular season with a 13-1 record. They made it to the semi-finals of the league playoffs but unfortunately lost to Hempfield. The team then finished third in the district playoffs after losing to the 1 seed Wyomissing in the semi-finals. After winning third place, we then qualified for the state playoffs and had a very competitive match this past Tuesday against Moravian Academy in the State Tournament. We unfortunately lost to Moravian Academy 2-3, which ended our great playoff run this season.

Individual Tennis Accomplishments: Cole Stoltzfus won the league tournament in 2A Singles. Hayden Winey finished 3rd in the league tournament in 2A Singles. Cole Stoltzfus and Hayden Winey won the league tournament in 2A Doubles. Both Cole and Hayden qualified for singles and doubles in the district tournament at Hershey.

Track and Field Co-op (LMH): Track and Field completed their league playoff tournament this past weekend at Hempfield. The following athletes placed in the league tournament in their events and will be competing in the district tournament at Shippensburg University this weekend.
