

The district may issue an Adjunct Teaching Certificate to an instructional employee who meets the requirements of Florida Statute 1012.56 (2) (a)-(f) and (10) and who has expertise in the subject area to be taught as evidenced by passing an appropriate Florida subject area test. Only passing exam scores earned no more than ten (10) years prior to the date of the certification application are acceptable.

Each Adjunct Teaching Certificate is valid through the term of the annual contract between the educator and the district. An additional annual Adjunct Teaching Certificate and an additional contract may be awarded by the District at the District's discretion, but only if the teacher is rated effective or highly effective during each year of teaching under the Adjunct Teaching Certificate.

The district may issue an Adjunct Teaching Certificate for a part-time or full-time teaching position; however, an Adjunct Teaching Certificate issued for a full-time teaching position is valid for no more than five (5) years and is nonrenewable.
