Hey
Sharks...

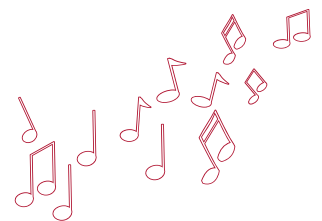

Playing an instrument increases activity in areas of the brain responsible for executive functioning, improving the following cognitive skills: Focus and memory. Cognitive flexibility (the ability to think about multiple concepts at once) **SELF-CONTROL** and time management.

Hey
Sharks...

To share your voice in song is to be incredibly vulnerable and raw, letting all of this out into the open, come what may. This is a profound experience of **HONESTY** that can help us feel comfortable sharing other things we might have been holding onto, such as unspoken wants, needs, or dreams.
