

# Jefferson School (TK-8): ROARing to Success 2025-2026

Promoting the Jaguar Way

## WHY JEFFERSON SCHOOL?

Jefferson School is a great place to be! Jefferson is a Pk- 8 campus. We are an IB (International Baccalaureate) PYP (Primary Years Programme) School. Through the IB framework we encourage scholars to think critically and consider multiple perspectives. We promote language development and multilingual scholars. Our elementary (TK-6) scholars learn German. We use best practices from data based research to best support teaching and scholar learning. Scholars at Jefferson use technology to engage in deeper thinking and lifelong skills that help them to be college and career ready. Jefferson is committed to creating an environment that achieves equity for all scholars. It ensures that all scholars are successful learners by challenging and supporting each to thrive as a global citizen, achieve academic excellence, and embrace the richness and diversity of our community. That is why our goal is to ROAR to success by creating a Respectful and caring environment, having an Organized school community, Academic excellence, and positive Relationships with scholars, families and the community.

## IS JEFFERSON RIGHT FOR MY STUDENT?

Jefferson is committed to cultivating a community of scholars, staff, and parents in which scholars learning is our primary goal. Jefferson is a Positive Behavioral Interventions and Supports (PBIS) school, promoting positive and preventative strategies for scholar behavior. We also use Restorative Justice practices schoolwide. Teachers and staff build positive relationships with scholars, who develop positive relationships with peers. Jefferson also has a full time Social Worker and a full time school Psychologist on site daily. Jefferson offers free extended-day programs led by teachers and staff to increase the academic success of our scholars. Scholars have many opportunities to participate in free after-school activities, including sports, running club, and many other various clubs. Jefferson also has LEAP after-school program that runs until 6 p.m. each day.

## HOW DOES MY STUDENT BECOME A JAGUAR?
