LEA ASSURANCES

Local Education Agency (LEA) Application for The Individuals with Disabilities Education Act (IDEA) Part B Funds

Section I. General Grant Assurances for Federal Funds

Throughout the period of the grant award, the LEA will comply with all requirements of:

The Individuals with Disabilities Education Act (IDEA) as Amended by the Individuals with Disabilities Education Act Amendments of 2004 (PL 108-446) and its implementing regulations;

The Kansas Special Education for Exceptional Children Act and the Kansas State Board of Education's administrative regulations on special education;

The LEA will make a good faith effort, on a continuing basis, to maintain a drug-free workplace, in accordance with the measures in 34 CFR Part 84, Subpart B and the Drug-Free Workplace Act of 1988;

The Education Department General Administrative Regulations (EDGAR) 34 CFR 76 requirements that are not inconsistent with IDEA, including:

34 CFR §76.500(a) Federal statutes and regulations on nondiscrimination.

(a) A State and a subgrantee shall comply with the following statutes and regulations:

Subject	Statute	Regulation
Discrimination on the basis of race, color, or national origin	Title VI of the Civil Rights Act of 1964 (45 U.S.C. 2000d through 2000d-4)	34 CFR part 100
Discrimination on the basis of sex	Title IX of the Education Amendments of 1972 (20 U.S.C. 1681-1683)	34 CFR part 106
Discrimination on the basis of handicap	Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794)	34 CFR part 104
Discrimination on the basis of age	The Age Discrimination Act (42 U.S.C. 6101 et seq.)	34 CFR part 110

(b) A State or subgrantee that is a covered entity as defined in §108.3 of this title shall comply with the nondiscrimination requirements of the Boy Scouts of America Equal Access Act, 20 U.S.C. 7905, 34 CFR part 108.

(Authority: 20 U.S.C. 1221e-3, 3474, and 6511(a))

[45 FR 22497, Apr. 3, 1980. Redesignated at 45 FR 77368, Nov. 21, 1980, as amended at 71 FR 15002, Mar.24, 2006]

34 CFR §76.650 Private schools; purpose of §§76.651-76.662.

- (a) Under some programs, the authorizing statute requires that a State and its subgrantees provide for participation by students enrolled in private schools. Sections 76.651-76.662 apply to those programs and provide rules for that participation. These sections do not affect the authority of the State or a subgrantee to enter into a contract with a private party.
- (b) If any other rules for participation of students enrolled in private schools apply under a particular program, they are in the authorizing statute or implementing regulations for that program.

(Authority: 20 U.S.C. 1221e-3 and 3474)

Note: Some program statutes authorize the Secretary—under certain circumstances—to provide benefits directly to private school students. These “bypass” provisions—where they apply—are implemented in the individual program regulations.

34 CFR §76.700 Compliance with statutes, regulations, State plan, and applications.

A State and a subgrantee shall comply with the State plan and applicable statutes, regulations, and approved applications, and shall use Federal funds in accordance with those statutes, regulations, plan, and applications.

(Authority: 20 U.S.C. 1221e-3, 3474, and 6511(a))

34 CFR §76.701 The State or subgrantee administers or supervises each project.

A State or a subgrantee shall directly administer or supervise the administration of each project.

(Authority: 20 U.S.C. 1221e-3, 3474, and 6511(a))

34 CFR §76.702 Fiscal control and fund accounting procedures.

A State and a subgrantee shall use fiscal control and fund accounting procedures that insure proper disbursement of and accounting for Federal funds.

(Authority: 20 U.S.C. 1221e-3, 3474, and 6511(a))

34 CFR §76.709 Funds may be obligated during a “carryover period.”

- (a) If a State or a subgrantee does not obligate all of its grant or subgrant funds by the end of the fiscal year for which Congress appropriated the funds, it may obligate the remaining funds during a carryover period of one additional fiscal year.
- (b) The State shall return to the Federal Government any carryover funds not obligated by the end of the carryover period by the State and its subgrantees.

Note: This section is based on a provision in the General Education Provisions Act (GEPA). Section II. IDEA Part B Grant Assurances

An LEA is eligible for assistance under Part B of the Act for a fiscal year if the agency submits a plan that provides assurances to the SEA that the LEA meets each of the conditions in §§300.201 through 300.213.

(Authority: 20 U.S.C. 1413(a))

34 CFR §300.201 Consistency with State policies.

The LEA, in providing for the education of children with disabilities within its jurisdiction, must have in effect policies, procedures, and programs that are consistent with the State policies and procedures established under §§300.101 through 300.163, and §§300.165 through 300.174.

(Approved by the Office of Management and Budget under control number 1820-0600) (Authority: 20 U.S.C. 1413(a)(1))

34 CFR §300.202 Use of amounts.

- (a) *General.* Amounts provided to the LEA under Part B of the Act—
 - (1) Must be expended in accordance with the applicable provisions of this part;
 - (2) Must be used only to pay the excess costs of providing special education and related services to children with disabilities, consistent with paragraph (b) of this section; and
 - (3) Must be used to supplement State, local, and other Federal funds and not to supplant those funds.
- (b) *Excess cost requirement—*(1) *General.* (i) The excess cost requirement prevents an LEA from using funds provided under Part B of the Act to pay for all of the costs directly attributable to the education of a child with a disability, subject to paragraph (b)(1)(ii) of this section.
 - (a) (ii) The excess cost requirement does not prevent an LEA from using Part B funds to pay for all of the costs directly attributable to the education of a child with a disability in any of the ages 3, 4, 5, 18, 19, 20, or 21, if no local or State funds are available for nondisabled children of these ages. However, the LEA must comply with the nonsupplanting and other requirements of this part in providing the education and services for these children.
- (b) (2)(i) An LEA meets the excess cost requirement if it has spent at least a minimum average amount for the education of its children with disabilities before funds under Part B of the Act are used.
- (c) (ii) The amount described in paragraph (b)(2)(i) of this section is determined in accordance with the definition of excess costs in §300.16. That amount may not include capital outlay or debt service.
- (d) (3) If two or more LEAs jointly establish eligibility in accordance with §300.223, the minimum average amount is the average of the combined minimum average amounts determined in accordance with the definition of excess costs in §300.16 in those agencies for elementary or secondary school students, as the case may be.

34 CFR §300.203 Maintenance of effort.

(a) *Eligibility standard.*

- (1) For purposes of establishing the LEA's eligibility for an award for a fiscal year, the SEA must determine that the LEA budgets, for the education of children with disabilities, at least the same amount, from at least one of the following sources, as the LEA spent for that purpose from the same source for the most recent fiscal year for which information is available:
 - (i) Local funds only;
 - (ii) The combination of State and local funds;
 - (iii) Local funds only on a per capita basis; or
 - (iv) The combination of State and local funds on a per capita basis.
- (2) When determining the amount of funds that the LEA must budget to meet the requirement in paragraph (a)(1) of this section, the LEA may take into consideration, to the extent the information is available, the exceptions and adjustment provided in §§300.204 and 300.205 that the LEA:
 - (i) Took in the intervening year or years between the most recent fiscal year for which information is available and the fiscal year for which the LEA is budgeting; and
 - (ii) Reasonably expects to take in the fiscal year for which the LEA is budgeting.
- (3) Expenditures made from funds provided by the Federal government for which the SEA is required to account to the Federal government or for which the LEA is required to account to the Federal government directly or through the SEA may not be considered in determining whether an LEA meets the standard in paragraph (a)(1) of this section.

(b) *Compliance standard.*

- (1) Except as provided in §§300.204 and 300.205, funds provided to an LEA under Part B of the Act must not be used to reduce the level of expenditures for the education of children with disabilities made by the LEA from local funds below the level of those expenditures for the preceding fiscal year.
- (2) An LEA meets this standard if it does not reduce the level of expenditures for the education of children with disabilities made by the LEA from at least one of the following sources below the level of those expenditures from the same source for the preceding fiscal year, except as provided in §§300.204 and 300.205:
 - (i) Local funds only;
 - (ii) The combination of State and local funds;
 - (iii) Local funds only on a per capita basis; or The combination of State and local funds on a per capita basis.
- (3) Expenditures made from funds provided by the Federal government for which the SEA is required to account to the Federal government or for which the LEA is required to account to the Federal government directly or through the SEA may not be considered in determining whether an LEA meets the standard in paragraphs (b)(1) and (2) of this section.

(c) *Subsequent years.*

- (1) If, in the fiscal year beginning on July 1, 2013 or July 1, 2014, an LEA fails to meet the requirements of §300.203 in effect at that time, the level of expenditures required of the

LEA for the fiscal year subsequent to the year of the failure is the amount that would have been required in the absence of that failure, not the LEA's reduced level of expenditures.

- (2) If, in any fiscal year beginning on or after July 1, 2015, an LEA fails to meet the requirement of paragraph (b)(2)(i) or (iii) of this section and the LEA is relying on local funds only, or local funds only on a per capita basis, to meet the requirements of paragraph (a) or (b) of this section, the level of expenditures required of the LEA for the fiscal year subsequent to the year of the failure is the amount that would have been required under paragraph (b)(2)(i) or (iii) in the absence of that failure, not the LEA's reduced level of expenditures.
 - (3) If, in any fiscal year beginning on or after July 1, 2015, an LEA fails to meet the requirement of paragraph (b)(2)(ii) or (iv) of this section and the LEA is relying on the combination of State and local funds, or the combination of State and local funds on a per capita basis, to meet the requirements of paragraph (a) or (b) of this section, the level of expenditures required of the LEA for the fiscal year subsequent to the year of the failure is the amount that would have been required under paragraph (b)(2)(ii) or (iv) in the absence of that failure, not the LEA's reduced level of expenditures.
- (d) *Consequence of failure to maintain effort.* If an LEA fails to maintain its level of expenditures for the education of children with disabilities in accordance with paragraph (b) of this section, the SEA is liable in a recovery action under section 452 of the General Education Provisions Act (20 U.S.C. 1234a) to return to the Department, using non-Federal funds, an amount equal to the amount by which the LEA failed to maintain its level of expenditures in accordance with paragraph (b) of this section in that fiscal year, or the amount of the LEA's Part B subgrant in that fiscal year, whichever is lower.

Note: An LEA may apply the exceptions in §300.204 and the adjustment in §300.205 to meet both the eligibility and compliance standards. When determining the amount of funds that an LEA must budget to meet the eligibility standard, the LEA may take into consideration, to the extent the information is available, the exceptions and adjustment that the LEA: (i) took in the intervening year or years between the most recent fiscal year for which information is available and the fiscal year for which the LEA is budgeting; and (ii) reasonably expects to take in the fiscal year for which the LEA is budgeting. 34 CFR §300.204 Exception to maintenance of effort.

Notwithstanding the restriction in §300.203(b), an LEA may reduce the level of expenditures by the LEA under Part B of the Act below the level of those expenditures for the preceding fiscal year if the reduction is attributable to any of the following:

- (a) The voluntary departure, by retirement or otherwise, or departure for just cause, of special education or related services personnel.
- (b) A decrease in the enrollment of children with disabilities.
- (c) The termination of the obligation of the agency, consistent with this part, to provide a program of special education to a particular child with a disability that is an exceptionally costly program, as determined by the SEA, because the child—

- (1) Has left the jurisdiction of the agency;
- (2) Has reached the age at which the obligation of the agency to provide FAPE to the child has terminated; or
- (3) No longer needs the program of special education.
- (d) The termination of costly expenditures for long-term purchases, such as the acquisition of equipment or the construction of school facilities.
- (e) The assumption of cost by the high cost fund operated by the SEA under §300.704(c).

- (a) *Amounts in excess.* Notwithstanding §300.202(a)(2) and (b) and §300.203(b), and except as provided in paragraph (d) of this section and §300.230(e)(2), for any fiscal year for which the allocation received by an LEA under §300.705 exceeds the amount the LEA received for the previous fiscal year, the LEA may reduce the level of expenditures otherwise required by §300.203(b) by not more than 50 percent of the amount of that excess.
- (b) *Use of amounts to carry out activities under ESEA.* If an LEA exercises the authority under paragraph (a) of this section, the LEA must use an amount of local funds equal to the reduction in expenditures under paragraph (a) of this section to carry out activities that could be supported with funds under the ESEA regardless of whether the LEA is using funds under the ESEA for those activities.
- (c) *State prohibition.* Notwithstanding paragraph (a) of this section, if an SEA determines that an LEA is unable to establish and maintain programs of FAPE that meet the requirements of section 613(a) of the Act and this part or the SEA has taken action against the LEA under section 616 of the Act and subpart F of these regulations, the SEA must prohibit the LEA from reducing the level of expenditures under paragraph (a) of this section for that fiscal year.
- (d) *Special rule.* The amount of funds expended by an LEA for early intervening services under §300.226 shall count toward the maximum amount of expenditures that the LEA may reduce under paragraph (a) of this section.

To provide the District, no less than 21 days before the start of YESS Camp: (i) name(s) and contact information for students, (ii) IEPs and other records called for by Section G.1. for each student not from USD 259 (“Out-of-District Student”), (iii) each student’s class designation, and (iv) AbilityPoint’s learning objective(s) for each student.
3. To enroll a maximum of 125 Eligible Students to participate in YESS Camp, giving preference to students attending USD 259 schools, students who are the children of USD 259 employees and students who reside within the boundaries of USD 259 but attend private schools (“In-District Students”). Unless and only to the extent directed otherwise by the District in writing, AbilityPoint shall achieve a ratio of two In-District Students in YESS Camp for every one Out-of-District Student. An “Eligible Student” is a student between the ages of five and 21 years who may be reasonably expected to participate in YESS Camp, consistent with the Purpose and without endangering the health or safety of the student or others.
4. To document and report to the District any loss of or damage to items or equipment at the Location, or any damage to the facilities at the Location, resulting from the operation of YESS Camp, and to replace or reimburse the District for any such loss or damage, as the District may in its discretion direct, resulting from any cause other than Regular Wear and Tear. As used herein, “Regular Wear and Tear” means the unavoidable deterioration or damage sustained in the course of continued normal use for a manufacturer’s intended purpose. Regular Wear and Tear does not include the destructive act of a student.
5. To be fully responsible for coordinating, funding, supervising and in all other respects providing transportation for any and all YESS Camp students, except such transportation as the District may from time to time provide in its discretion.
6. To coordinate, fund, manage, deliver and otherwise provide all aspects of the YESS Camp other than those specifically agreed to by the District in Section H of this Agreement, including all staff and personnel other than those provided by the District. As of the Effective Date, the District intends to make breakfast and lunch available to YESS Camp participants through the USDA Summer Food Service Program.
7. To establish and maintain communication with the District on items pertinent to YESS Camp; such communication may include, but not necessarily be limited to a description of the curriculum, relevant course outlines, policies, faculty, disciplinary concerns, damage to property, funding and major changes in this information.
8. To notify students and/or their parents that they are required to comply with all policies and procedures of the District and YESS Camp, including those regarding disciplinary policies, toilet training, ambulation and COVID-19 protocols.
9. To provide adequately supported, trained and qualified staff to perform AbilityPoint’s obligations under this Agreement, in numbers sufficient to meet reasonably anticipated demand therefor, including, as necessary, staff and specialists highly qualified and appropriately licensed in special

education and related services as called for to satisfy the legal obligations of AbilityPoint and the District with respect to students with exceptionalities.

10. To comply with and to reasonably cooperate with the District in complying with all applicable federal, state and county statutes, rules and regulations, including those promulgated by the Kansas Department of Education, and Sedgwick County rules, regulations and policies. AbilityPoint shall also comply with any and all published District policies and rules that apply to the performance of AbilityPoint's obligations under this Agreement. For the avoidance of doubt, AbilityPoint shall comply strictly with all applicable state, federal and District policies concerning the use of emergency safety interventions ("ESI").
11. To promptly notify the District of any hazardous or unsafe condition at the Location, and to refrain from creating, maintaining or allowing any hazardous or unsafe condition at the Location to persist.
12. Commencing on June 6, 2025, and on each consecutive Friday thereafter until and including July 11, 2025, to remit payment to the District in the amount of \$200.00 for each Out-of-District Student enrolled in YESS Camp as of Monday of the previous week. If the total number of Out-of-District Students enrolled on such Monday was greater than 1/2 the total number of In-District Students then-enrolled on Count Day, then Ability Point shall add to the foregoing payment an additional amount calculated as follows: (a) the total Out-of-District Students enrolled in YESS Camp, (b) minus one-half of the total number of In-District Students, (c) multiplied by \$200.00.

Illustration:

30 Out-of-District Students are enrolled in YESS Camp, along with 40 In-District Students. AbilityPoint shall pay the District \$6000.00 (30 times \$200.00) plus \$2000.00 for a total of \$8000.00 (40 minus 20, multiplied by \$200.00).

H. THE SCHOOL DISTRICT AGREES:

1. To provide and supervise up to 14 teachers and 14 paraprofessionals ("District Staff") to serve as YESS Camp personnel for the purpose of providing in-classroom instruction for half of each Camp Day.
2. To provide adequate facilities for YESS Camp at a location selected by the District in its discretion (the "Location").
3. To permit visits of AbilityPoint employees and any necessary evaluators for the purpose of observing or participating in YESS Camp, attending meetings or evaluating for any state or federal requirements.
4. To provide, subject to District policies and applicable law, such IEPs and education, administrative and other records as are reasonably necessary for AbilityPoint to fulfill its obligations under this Agreement. AbilityPoint shall not be permitted direct access to District student information systems and records systems concerning students participating in YESS Camp.

I. YESS CAMP STUDENT AND EMPLOYEE DISCIPLINE:

1. The Parties agree to utilize Emergency Safety Intervention ("ESI") protocols pursuant to USD 259 Board of Education Policy P5116 and any other applicable District policy related to student and

special education discipline. AbilityPoint will be responsible for conducting any parental notification and coordination for the removal of a student from YESS Camp. Any student who is terminated from YESS Camp is not entitled to a hearing or any form of review. The District shall be the final authority for determination of the termination of a student from YESS Camp. The District may exercise its discretion to terminate the participation of any student for any reason not contrary to law.

J. ADDITIONAL CONTRACTUAL PROVISIONS:

1. **Agreement with Kansas Law:** All contractual agreements shall be subject to, governed by and construed according to the laws of the State of Kansas. Any lawsuit concerning this Agreement shall be filed in a court of law located in Sedgwick County, Kansas.
2. **Cash Basis and Budget Law Requirements:** The right of AbilityPoint and the District to enter into this Agreement is subject to the provisions of the Cash Basis Law (K.S.A. 10-1112 and 10-1113) and the Budget Law (K.S.A. 79-2935) and other laws of the State of Kansas. This Agreement shall be construed and interpreted to ensure AbilityPoint and the District shall at all times be in conformity with such laws. It is a condition of this Agreement that AbilityPoint and the District reserve the right to unilaterally sever, modify or terminate this Agreement at any time if, in the opinion of legal counsel, the Agreement may be deemed to violate the terms of such laws.
3. **Disclaimer of Liability:** Notwithstanding anything to the contrary elsewhere in this Agreement, the District shall not hold harmless or indemnify any contractor beyond that liability incurred under the Kansas Tort Claims Act (K.S.A. 75-6101 et seq.). In addition, the District shall not indemnify or hold harmless against damages, injury or death resulting from the actions or failure to act on the part of any party to this Agreement other than the Board of Education of the District or the District.
4. **Anti-discrimination Clause:** AbilityPoint agrees: (i) to comply with the Kansas Act Against Discrimination (K.S.A. 44-1001 et seq.) and the Kansas Age Discrimination in Employment Act (K.S.A. 44-1111 et seq.) and the applicable provisions of the Americans With Disabilities Act (42 U.S.C. 12101 et seq.) (ADA) and to not discriminate against any person because of race, religion, color, sex, disability, national origin or ancestry, or age in the admission or access to, or treatment or employment in, its programs or activities; (ii) to include in all solicitations or advertisements for employees, the phrase "equal opportunity employer"; (iii) to comply with the reporting requirements set out at K.S.A. 44-1031 and K.S.A. 44-1116; (iv) to include those provisions in every subcontract or purchase order so that they are binding upon such subcontractor or vendor; (v) that a failure to comply with the reporting requirements of (iii) above or if AbilityPoint is found guilty of any violation of such acts by the Kansas Human Rights Commission, such violation shall constitute a breach of the Agreement and the Agreement may be cancelled, terminated or suspended, in whole or in part, by the District; (vi) if it is determined that AbilityPoint has violated applicable provisions of ADA, such violation shall constitute a breach of the Agreement and the Agreement may be cancelled, terminated or suspended, in whole or in part, by the District.

Parties to this Agreement understand that the provisions of this paragraph 4 (except for those provisions relating to the ADA) are not applicable to a company who employs fewer than four employees during the term of such agreement or whose contracts with the District cumulatively total \$5,000.00 or less during the fiscal year.

5. **Arbitration; Damages; Warranties:** Notwithstanding any language to the contrary, no interpretation shall be allowed to find the District, or any agency thereof, has agreed to binding arbitration or the payment of damages or penalties upon the occurrence of a contingency. Further,

the District shall not agree to pay attorney fees and late payment charges beyond those available under the Kansas Prompt Payment Act (K.S.A. 75-6403), and no provision will be given effect which attempts to exclude, modify, disclaim or otherwise attempt to limit implied warranties of merchantability and fitness for a particular purpose.

6. **Representative's Authority to Contract:** By signing this Agreement, the representative of AbilityPoint thereby represents that such person is duly authorized by AbilityPoint to execute this Agreement on behalf of AbilityPoint, and that AbilityPoint agrees to be bound by the provisions thereof.
 7. **Responsibility for Taxes:** The District shall not be responsible for, nor indemnify a contractor for, any federal, state or local taxes which may be imposed or levied upon the subject matter of this Agreement.
 8. **Insurance:** The District shall not be required to purchase any insurance against loss or damage to any personal property to which this Agreement relates, nor shall this Agreement require the District to establish a "self-insurance" fund to protect against any such loss or damage. Subject to the provisions of the Kansas Tort Claims Act, AbilityPoint shall bear the risk of any loss or damage to any personal property in which AbilityPoint holds title.
 9. **Compliance with Laws and Regulations:** AbilityPoint, in providing services under this Agreement, will comply with federal, state, and local laws, regulations and ordinances. Copies of any federal, state or local licenses that are required to provide the services being provided or for the product being purchased must be provided as an attachment to this Agreement. If a required license expires prior to the termination of this Agreement, AbilityPoint must provide a copy of the renewed license to the District Purchasing Department on or before the date the license expires. This Agreement will automatically terminate on the date of expiration of the required license if AbilityPoint does not provide a renewed license on or before the date the license expires. This Agreement will automatically terminate at any time AbilityPoint, for whatever reason, does not possess a valid required license. The District's obligation to pay for services ceases as of the date AbilityPoint does not possess a valid required license. When AbilityPoint does not possess a valid required license, the District has the right to return and not pay for products that are produced by AbilityPoint.
 10. **IRCA:** AbilityPoint agrees that it is solely responsible for its compliance with the Immigration Reform and Control Act of 1986 ("IRCA"), as amended. AbilityPoint agrees that it will send only work-authorized individuals to District worksites and will only use work-authorized individuals to perform work pursuant to this Agreement. If AbilityPoint knowingly violates IRCA or the regulations implementing IRCA, the District shall be entitled to immediately terminate this Agreement for cause.
 11. **Information:** No provision of this Agreement shall be construed as limiting the Legislative Division of Post Audit from having access to information pursuant to K.S.A. 46-1101 et seq.
- K. **FERPA COMPLIANCE:** To the extent the Parties generate or maintain educational records related to YESS Camp, the Parties agree to comply with the Family Educational Rights and Privacy Act (FERPA), to the same extent as FERPA applies to AbilityPoint and shall limit access to only those employees or agents with a legitimate educational interest. For purposes of this Agreement, pursuant to FERPA, AbilityPoint hereby designates the District as a school official with a legitimate educational interest in the educational records of AbilityPoint's students to the extent that access to the records is required by AbilityPoint or the District for the District to carry out YESS Camp education.

- L. **IDEA CONFIDENTIALITY COMPLIANCE:** To the extent the Parties generate or maintain student educational records as defined under 34 CFR § 300.611(b), the Parties agree to comply with the Individuals with Disabilities Education Act's ("IDEA") confidentiality requirements pursuant to 34 CFR § 300.610 et seq.
- M. **HIPAA COMPLIANCE:** The Parties acknowledge that if the District is a covered entity as defined under the Health Insurance Portability and Accountability Act of 1996, as codified at 42 U.S.C. Section 1320d ("HIPAA"), to the extent that a student or AbilityPoint personnel have access to Protected Health Information ("PHI") or Individually Identifiable Health Information (as defined in 42 U.S.C. Section 1320d) ("IIHI") due to the student's participation in YESS Camp, the Parties agree to comply with the Health Information Technology for Economic and Clinical Health Act ("HITECH Act"), HIPAA and any current and future regulations promulgated thereunder including, without limitation, the federal privacy regulations contained in 45 CFR Parts 160 and 164 ("Federal Privacy Regulations"), the federal security standards contained in 45 CFR Part 142 ("Federal Security Regulations") and the federal standards for electronic transactions contained in 45 CFR Parts 160 and 162, all collectively referred to herein as "HIPAA Requirements." The Parties agree to make their internal practices, books and records relating to the use and disclosure of PHI available to the Secretary of Health and Human Services to the extent required for determining compliance with Federal Privacy Regulations.
- N. **PARENTAL/STUDENT OBLIGATIONS:** Notwithstanding anything to the contrary in this Agreement, in reference to any obligation of the parents or students stated herein, any failure by the students related to such obligations shall not constitute a breach of this Agreement by either party. The Parties agree that it is the parent's and/or student's responsibility to satisfy the program's requirements. AbilityPoint is solely responsible to review documentation for veracity, authenticity, sufficiency and to independently determine whether the student has satisfied AbilityPoint's and the District's requirements for acceptance to YESS Camp.
- O. **COMMUNICATION:** All notices, demands, requests, approvals, reports, instructions, consents or other communications (collectively, "notices") which may be required or desired to be given by either party to the other shall be IN WRITING and sent by email, United States Postal Service mail, certified mail or overnight traceable delivery and addressed as follows, unless any other person or address may be designated by notice from one party to the other:

THIS AGREEMENT IS BY AND BETWEEN:

UNIFIED SCHOOL DISTRICT NO. 259,
Sedgwick County, Kansas

(THE "DISTRICT")

AND

RAINBOWS UNITED, INC.,
a nonprofit corporation

("RAINBOWS")

RECITALS

The Kansas Special Education for Exceptional Children Act (K.S.A. §§ 72-3403 *et seq.*) requires the establishment of appropriate special education services for all exceptional students in the District and authorizes the board of education of the District to contract with any accredited private non-profit corporation or any public or private institution within or without the State of Kansas which has proper special education services for exceptional students; and

The District and Rainbows are willing to enter into such a contract in order for the District to comply with such Act and in order to serve the interests of exceptional students in the District.

The parties agree as follows:

1. The Parties. The District is the duly established and recognized organization in Sedgwick County, Kansas, authorized to provide special education services for exceptional students residing within the boundaries of the District. Rainbows is a private non-profit corporation authorized to do business in the State of Kansas and, as part of its authorized operations, has been approved by the Commissioner of Education of the Kansas State Department of Education to provide the curriculum specified in this Agreement.

2. The Services. Early Childhood Disability (ECD) services for students ages three years through five years are designed especially for younger students who meet the following criteria:

- a. at least three years of age, but no older than six years;
- b. qualifying as a student with a disability and having a need for special education services per state and federal law and regulations.

Without special early intervention, students meeting the above criteria may not realize their academic, social, or emotional potential. Intervention by special education teaching methods, techniques, and procedures shall be designed to help minimize or compensate for identified learning limitations in sensory and motor functioning, self-help skills, cognition, communication, and interaction within the students' social and/or physical environment.

3. Community-Based Services. Services provided to ECD students under this Agreement shall be provided in community-based settings ("Community-Based"). For the purpose of this Agreement, "Community-Based" means special education and related services in a natural setting outside of a traditional special education classroom, e.g., a student's home, a day care facility, Head Start classroom, USD 259 Classrooms located at TOP Northwest/TOP North, etc.

4. Duties of Rainbows. Rainbows shall provide Community-Based ECD special education and related services as prescribed and required by the Individuals with Disabilities Education Act and regulations thereto and the state plan and applicable state rules and regulations thereof. In addition, services shall be provided in conformance with the following:

a. Services shall be provided to a maximum of 80 students during any one month of the school year.

b. Rainbows students shall be assigned to Rainbows by the District. For enrollment purposes, Rainbows students shall be enrolled as District students assigned to the TOP/Rainbows queue for USD 259. All students served by Rainbows under this Agreement shall be pupils of the District and shall reside within its attendance boundaries. Services shall only be provided at locations within the District's boundaries. The District, at its sole discretion, shall have the right to assign a student to the Rainbows program. Rainbows shall receive no compensation for providing services to a student under this Agreement unless and until the District has approved in writing the providing of services to the student by Rainbows.

c. Services rendered under this Agreement shall include but not be limited to screening, Individual Education Program (IEP) development, instruction, speech therapy, physical therapy, occupational therapy, and those other services identified jointly by the student's IEP team as necessary for the services of individual students. Comprehensive evaluations and re-evaluations of Rainbows students shall be performed by the District.

i. All IEP services for students assigned to Rainbows shall be conducted and completed between August 1, 2025, and June 1, 2026, unless otherwise approved in writing by the District. Appropriate District staff as assigned by the District shall be appointed to serve as members of the IEP team for each student assigned to Rainbows.

ii. Rainbows staff, at Rainbows' expense, shall be directed and required to attend District-conducted due process procedure training, transition training, and training in the conducting and writing of IEPs that is deemed appropriate by the District. Training is available by District personnel on District procedures and other matters; however, it is the responsibility of Rainbows to pursue and request such training when needed. Rainbows shall require its employees to attend such

training in order that its employees at all times have the knowledge that they need to be able to comply with District procedures and other matters.

- iii. A draft of all IEPs and due process paperwork shall be completed prior to all IEP team meetings. This paperwork will be taken to and completed at IEP meetings. The IEP will be finalized in writing at the IEP meeting and Rainbows will not make additional changes thereafter unless the changes are consented to by the student's IEP team.

d. Services shall be provided in a manner that complies with each individual student's IEP.

e. In addition to the services identified above, Rainbows shall provide, at no additional cost to the District, the following ancillary services as requested by the District:

- i. Cooperation in special education due process proceedings, including production of employees for attendance at hearings and preparation for hearings, if needed.
- ii. Provision to the District, on District-provided forms, of a written individual assessment of progress for each student annually and upon entrance into public schools.
- iii. All annual reports, notices of conferences and meetings regarding students, and such other information and data as the parties deem necessary shall be provided to the District's Assistant Superintendent of Student Support Services or designee.

f. The District agrees to pay Rainbows for such services in accordance with the terms of Paragraph 10 set forth below.

5. Curriculum. The curriculum, including the total of the educative and training experiences planned by the teachers and supervisors for the students, shall meet state accreditation guidelines as set forth for early childhood special education services, and shall meet District curriculum standards, and Rainbows agrees to maintain such curriculum at all times.

6. Health and Safety. Rainbows will comply with laws, directives, orders, City ordinances, and District policies and guidelines that are provided to them in writing and will use best practices concerning health and safety that relate to communicable diseases during the time that Rainbows is providing services to District students under this Agreement.

7. Staff.

a. All staff personnel associated with these services, other than employees of the District performing the responsibilities of supervision, student selection and evaluation, monitoring, and analyzing services under this Agreement, shall be employed, paid, supervised, evaluated, and otherwise governed by Rainbows. All such personnel with teaching responsibilities will be licensed with the appropriate professional/credentialing organization in the area of their respective teaching assignments and shall hold the appropriate endorsements as specified in Kansas Administrative Regulations, and proof of such licenses and endorsements shall be available at all times, upon request, for inspection by the District or the State Department of Education. Similarly, all teachers and related service providers employed by Rainbows on a

substitute basis to cover illnesses or other temporary leave shall also hold appropriate licensing by the Kansas State Department of Education. Teachers will be in charge of all groups involving students throughout the prescribed instructional day. The compensation paid by Rainbows to its staff shall be solely at the discretion of Rainbows, without reference to salary schedules, practices, or policies of the District.

b. Related services provided to District students shall be directly provided by an appropriately licensed professional, e.g., speech/language services shall be provided by an appropriately licensed speech/language pathologist. Services can also be provided by a speech/language pathologist assistant under the supervision of a licensed speech/language pathologist.

c. Services provided under this Agreement by Rainbows shall not be provided by paraprofessionals.

8. Auxiliary Services. Any additional services not a part of the IEP but which may be recommended and offered by Rainbows to one or more of the students in the program shall not be the responsibility of the District, and Rainbows shall make all necessary arrangements, including arrangements for compensation, transportation, and scheduling, with the parents or other legal representatives of the students involved. Unless otherwise consented to in writing by the District, no such additional services shall be rendered to any student during the instructional activity hours of the program. In the event that Rainbows' staff recommends any additional physical, medical, neurological, or other examination or procedure which has not previously been approved in writing by the District, any costs incurred for such examination or procedure shall be the responsibility of the student, or his parents or legal guardian, or Rainbows, and the District shall not be responsible therefor.

9. Supplies and Equipment. Rainbows agrees to provide all necessary and appropriate instructional equipment, materials, and supplies for the students participating in the program, without additional cost either to the District or to the students. All such equipment, materials, and supplies will remain the property of Rainbows.

10. Compensation.

a. *Summary of Services Rendered*. Rainbows shall prepare, execute and submit separate monthly summaries of services rendered by Rainbows for August/September, October, November, and December 2025, and January, February, March, April, May and June 2026. All summaries shall be submitted on forms approved by the District. All summaries shall be submitted no later than the 20th day of each month following the month services were provided. Each summary shall contain the following information:

(6) location where services were provided.

In addition, with the monthly summary Rainbows shall provide a list of teachers and related services providers by name that identifies the services the teachers and the related services providers are providing to District students. The list shall be updated for each monthly summary to identify when personnel changes are made.

b. *Payment.* The District shall pay Rainbows for services provided to a maximum of 60 children per month during the 2025-2026 school year the sum of \$180,000, to be paid in monthly installments of \$18,000 each month. The District shall pay Rainbows an additional \$300 per child served for any month exceeding 60 children, but not to exceed a maximum of 80 children served per month. If services are needed for more than 80 children in a month, a binding amendment to this agreement must be approved by Rainbows and the District prior to Rainbows providing services.

Payment of invoices will be made for the months listed in Section 10.a. not later than 10 calendar days from the date that monthly summaries referenced in Section 10.a. and an invoice are submitted to the District.

c. *Funding Source.* The funds to pay Rainbows for services rendered under the 2025-2026 Agreement will be from federal aid and state aid. Rainbows agrees to reimburse the District within 30 days of receipt of an invoice from the District for federal or state audit exceptions resulting in monetary loss incurred by the District for services billed to the District by Rainbows.

d. *Address for Summaries.* Summaries shall be delivered or mailed to the District at the following address:

In the event of termination with 90 days' notice, no liquidated damages shall be deemed owed by either party.

b. *Termination.*

- i. The District may terminate this Agreement for cause by giving 20 days advance written notice of termination to Rainbows upon the occurrence of the following:
 - (1) Rainbows materially breaches the Agreement and does not cure the breach within 20 calendar days after receiving written notice of such breach from the District. Rainbows shall have a period of 10 business days to dispute the allegation of material breach. Consistent with the requirements of the Kansas Special Education for Exceptional Children Act concerning the right to a hearing and procedural due process, Rainbows agrees to cooperate fully with the District in affording such rights to any students connected with the program. In particular, Rainbows will:

- a. assist in preparing and giving the written notice provided for by the Special Education for Exceptional Children Act (K.S.A. 72-3403 *et seq.*) and amendments thereto;
- b. provide access to all records, tests, reports, or clinical evaluations relating to the proposed action to the District, its representatives, and its counsel and to the parents, guardians, or counsel of the involved student; and
- c. cause the attendance and furnishing of testimony as witnesses at such hearings of any of its employees who may be requested to do so by the District, including participation in pre-hearings and consultation with District staff and legal counsel regarding preparing for hearing.

13. FERPA Compliance and Data Sharing. Rainbows understands and agrees that the District has certain obligations under the Family Educational Rights and Privacy Act ("FERPA") and other privacy laws to protect the confidentiality of personally identifiable information, as that term is defined in FERPA ("PII"), and to obligate those to whom the District discloses PII to perform certain functions on the District's behalf to certain requirements and safeguards with respect to its use and re-disclosure of PII. During the term of this Agreement, Rainbows is designated as the

District's authorized representative (as that term is defined in FERPA) to receive, obtain or create PII to perform the services specified in this Agreement. Without limiting any other obligations of this Agreement, Rainbows must (1) not use PII for any purpose other than as expressly allowed under this paragraph; (2) not further disclose PII to any person, other than (a) to the District and its employees, (b) to Rainbows' employees who have entered into an enforceable agreement with requirements no less stringent than this paragraph, (c) as directed by the District in writing, including pursuant to the written consent of a parent or eligible student to which PII relates as allowed by FERPA, or (d) as specifically required or authorized by federal law, including FERPA, but only after notice to the District with an opportunity for the District to object to such disclosure; (3) implement policies and procedures consistent with FERPA and in accordance with generally accepted practices under other federal and state privacy laws and regulations to safeguard PII from unauthorized use and further disclosure, except as authorized herein; (4) notify the District within 48 hours after Rainbows becomes aware of any unauthorized access, use or disclosure of PII, assist the District in ongoing discovery of the nature of the breach, and reasonably mitigate the harmful effects of such breach; and (5) within a reasonable time (not to exceed 30 days) after Rainbows no longer requires PII (or any part thereof) for the purposes stated herein or the expiration or termination of this Agreement (whichever is earlier), Rainbows will return all PII to the District and will permanently destroy any remaining PII in the possession or control of Rainbows or personnel such that no PII may be discerned or recovered. As between Rainbows and the District, the District is the sole owner of all PII. This paragraph will be interpreted to the greatest extent to allow the District to comply with the obligations of FERPA and any other applicable privacy laws.

14. Children's Online Privacy Protection Act (COPPA). On behalf of the parents or guardians of its students under the age of 13 years, the District only authorizes Rainbows to collect and use information from such students as necessary to perform the services on behalf of the District as specified in this Agreement, or as reasonably necessary to provide the services and otherwise meet its obligations to the District hereunder, and for no other purposes. Rainbows shall not make use of any personal information collected from a child under the age of 13 years to the extent prohibited by COPPA, and Rainbows will cooperate with the District to enable parents, upon request, an opportunity to review the child's personal information and/or have the information deleted and/or have the opportunity to prevent further use or online collection of a child's personal information. Notwithstanding the above, if Rainbows intends to collect, use or disclose children's personal information in connection with a commercial product offering which is separate from or in addition to the provision of the services hereunder, Rainbows (and the District, if the District is purchasing any such additional product) would need to address parental consent and other associated items to the extent required by the then-applicable provisions of COPPA and its regulations.

15. Protection of Pupil Rights Amendment (PPRA). To the extent possible, Rainbows will comply with the requirements of the PPRA, 20 U.S.C. § 1232h; 34 CFR Part 98, in its performance under this Agreement.

16. Student Data Privacy Act. The Agency may not use, directly or indirectly, or disclose any information collected from the District's students that would cause the District to be in violation

of the Student Data Privacy Act, K.S.A. 72-6215 *et seq.*, and Kansas Special Education Regulations at K.A.R. 91-40-50.

17. Audit Statement. No later than April 1, 2024, Rainbows shall provide the District with a copy of its most recent audited financial statement.

18. Indemnity. Rainbows agrees to indemnify, protect, defend and save the District harmless from and against any and all claims, demands, liabilities and costs, including attorney fees arising from damage or injury, actual or claimed, of whatsoever kind or nature, to property or persons, occurring or allegedly occurring during the providing of services under this Agreement. Upon timely written notice from the District, Rainbows shall defend the District, its officers and employees in any action or proceeding brought thereon; provided, however, that nothing contained in this paragraph shall be construed as requiring Rainbows to indemnify the District, its officers and employees for any claim resulting from negligence or willful misconduct of the District, its officers and employees. The right to indemnity provided by this paragraph shall survive the termination of this Agreement.

19. Insurance. Rainbows agrees to maintain liability insurance for bodily and personal injury, property damage, and the errors, acts, and omissions of Rainbows and its employees in an amount not less than the maximum liability of a government entity for claims arising out of a single occurrence, as provided by the Kansas Tort Claims Act (currently \$500,000 per occurrence). Rainbows further agrees to provide a certificate of insurance coverage naming the District as an additional insured on or before the effective date of this Agreement. Provision of such certificate shall be a condition precedent to the effectiveness of this Agreement.

20. Defaults. In addition to other reasons set forth elsewhere in this Agreement, the District shall have the right to terminate this Agreement upon written notice to Rainbows upon the occurrence of any of the following events:

- a. At any time Rainbows is no longer a private nonprofit corporation;
- b. At any time Rainbows is no longer approved by the Kansas Department of Education or, in the opinion of the Department of Education, no longer has proper early childhood disability education services;
- c. Rainbows fails, in the opinion of either the District or the State Board, to perform any of the terms and conditions of this Agreement;
- d. At any time Rainbows fails to make operational and/or instructional changes required by the Kansas State Department of Education;
- e. At any time the District may become unable to make the payments required by this Agreement or to be reimbursed by other governmental agencies for the costs of the program according to law;
- f. At any time the continuance of the program is no longer authorized by the laws of the State of Kansas; or
- g. At any time Rainbows fails to maintain insurance as provided in Paragraph 15 of this Agreement.

21. Notices. Any notices required by this Agreement shall be sent to the District addressed as follows:

Division of Student Support Services
ATTN: Vince Evans, Assistant Superintendent
Unified School District No. 259
903 South Edgemoor
Wichita, Kansas 67218

Any notices to Rainbows shall be addressed and sent as follows:

Rainbows United, Inc.
ATTN: Rachel Banning, President
3223 N. Oliver
Wichita, Kansas 67220

22. Captions. The headings and captions in this Agreement are solely for ease of reference and shall not be utilized in construing or interpreting the terms and provisions hereof.

23. Amendments. This Agreement may not be amended in any way by either the District or Rainbows or both except by the express approval of the State Board, and any such amendment must be in writing and signed by both parties.

24. Assignability. This Agreement may not be assigned by Rainbows without the prior written consent of the District.

25. Severability. If any provision of this Agreement shall be held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable. If a court finds that any provision of this Agreement is invalid or unenforceable, then such provision shall be deemed to be written, construed, and enforced as so limited.

26. Waiver of Contractual Right. The failure of either party to enforce any provision of this Agreement shall not be construed as a waiver or limitation of that party's right to subsequently enforce and compel strict compliance with every provision of this Agreement.

27. Additional Contractual Provisions.

a. Agreement With Kansas Law. All contractual agreements shall be subject to, governed by, and construed according to the laws of the State of Kansas and DA-146a as promulgated by the Kansas Department of Administration.

b. Cash Basis and Budget Law Requirements. The right of Rainbows and the District to enter into this Agreement is subject to the provisions of the Cash Basis Law (K.S.A. 10-1112 and 10-1113) and the Budget Law (K.S.A. 79-2935) and other laws of the State of Kansas. This Agreement shall be construed and interpreted to ensure Rainbows and the District shall at all times be in conformity with such laws. It is a condition of this Agreement that Rainbows and the District reserve the right to unilaterally sever, modify, or terminate this Agreement at any time if, in the opinion of legal counsel, the Agreement may be deemed to violate the terms of such

laws.

c. Disclaimer Of Liability: The District shall not hold harmless or indemnify Rainbows beyond that liability incurred under the Kansas Tort Claims Act (K.S.A. 75-6101 *et seq.*). In addition, the District shall not indemnify or hold harmless against damages, injury or death resulting from the actions or failure to act on the part of any party to this contract other than the Board of Education of the District or the District.

d. Anti-Discrimination Clause: Rainbows agrees: (a) to comply with the Kansas Act Against Discrimination (K.S.A. 44-1001 *et seq.*) and the Kansas Age Discrimination in Employment Act (K.S.A. 44-1111 *et seq.*) and the applicable provisions of the Americans With Disabilities Act (42 U.S.C. 12101 *et seq.*) (ADA) and to not discriminate against any person because of race, religion, color, sex, disability, national origin or ancestry, or age in the admission or access to, or treatment or employment in, its programs or activities; (b) to include in all solicitations or advertisements for employees, the phrase "equal opportunity employer"; (c) to comply with the reporting requirements set out at K.S.A. 44-1031 and K.S.A. 44-1116; (d) to include those provisions in every subcontract or purchase order so that they are binding upon such subcontractor or vendor; (e) that a failure to comply with the reporting requirements of (c) above or if Rainbows is found guilty of any violation of such acts by the Kansas Human Rights Commission, such violation shall constitute a breach of contract and this Agreement may be cancelled, terminated or suspended, in whole or in part, by the District; (f) if it is determined that Rainbows has violated applicable provisions of ADA, such violation shall constitute a breach of contract and this Agreement may be cancelled, terminated or suspended, in whole or in part, by the District. Parties to this Agreement understand that the provisions of this paragraph (with the exception of those provisions relating to the ADA) are not applicable to a contractor who employs fewer than four employees during the term of such contract or whose contracts with the District cumulatively total \$5,000 or less during the fiscal year.

e. Arbitration, Damages, Warranties: Notwithstanding any language to the contrary, no interpretation shall be allowed to find the District or any agency thereof has agreed to binding arbitration, or the payment of damages or penalties upon the occurrence of a contingency. Further, the District shall not agree to pay attorney fees and late payment charges beyond those available under the Kansas Prompt Payment Act (K.S.A. 75-6403), and no provision will be given effect which attempts to exclude, modify, disclaim or otherwise attempt to limit implied warranties of merchantability and fitness for a particular purpose.

f. Representative's Authority To Contract: By signing this Agreement, the representative of Rainbows thereby represents that such person is duly authorized by Rainbows to execute this Agreement on behalf of Rainbows and that Rainbows agrees to be bound by the provisions thereof.

g. Responsibility For Taxes: The District shall not be responsible for, nor indemnify Rainbows for, any federal, state or local taxes which may be imposed or levied upon the subject matter of this Agreement.

h. Insurance: The District shall not be required to purchase any insurance against loss or damage to any personal property to which this Agreement relates, nor shall this Agreement require the District to establish a "self-insurance" fund to protect against any such loss or damage. Subject to the provisions of the Kansas Tort Claims Act (K.S.A. 75-6101 *et seq.*), Rainbows shall bear the risk of any loss or damage to any personal property in which Rainbows holds title.

i. Information: No provision of this Agreement shall be construed as limiting the Legislative Division of Post Audit from having access to information pursuant to K.S.A. 46-1101 *et seq.*

j. Compliance with Immigration Laws: Rainbows agrees that it is solely responsible for its compliance with the Immigration Reform and Control Act of 1986 ("IRCA"), as amended. Rainbows agrees that it will send only work-authorized individuals to District worksites. If Rainbows knowingly violates IRCA or the regulations implementing IRCA, the District shall be entitled to immediately terminate this Agreement for cause.

2. CONSIDERATION: Transcriber will be compensated at a rate of \$33 per hour for all completed work. Transcriber is not guaranteed a minimum number of hours. Transcriber agrees not to perform more than 40 hours of work per week. Payments for services rendered will be made in accordance with directions set forth in Section 3 of this Agreement.
3. PAYMENT: Payment for services rendered pursuant to this Agreement shall be made upon receipt of **original** invoice(s) in accordance and in conformity with payment dates for bills and claims as published by Business & Financial Services. By providing 30 days advance written notice, either party may terminate this Agreement at any time, for any reason, with or without cause. Upon termination, Transcriber will be paid for work performed to the date of termination.
5. REVIEW OF WORK: The School District shall have the right to inspect or review the work of Transcriber and to require such oral or written reports of work progress from Transcriber as may be reasonably necessary to assure proper performance of this Agreement.
6. PRODUCTS AND PROCESS OWNERSHIP: All products, processes, or similar works prepared by Transcriber in the course of the performance of this Agreement shall be the exclusive property of the School District and will be released, if at all, only by and through the School District.
7. INDEMNIFICATION: Transcriber shall indemnify, protect, defend, and save the School District harmless from and against any and all claims, demands, liabilities and costs, including attorney’s fees arising from damages or injury, actual or claimed, of whatsoever kind or character, to property or persons, occurring or allegedly occurring from the performance of the services specified to be performed herein. Upon timely written notice from the School District, Transcriber shall defend the School District in any action or proceedings brought thereon; provided, however, that nothing contained herein shall be construed as requiring Transcriber to indemnify the School District for any claims resulting from the negligence or willful misconduct of the School District or its officials, employees or agents.
8. INDEPENDENT CONTRACTOR: It is agreed and understood that Transcriber shall at all times and for all purposes of this Agreement, be deemed an independent contractor and not an employee of the School District, particularly for, but not limited to, the purposes of worker’s compensation and the Kansas Tort Claims Act.
9. LOSS OF PERSONALTY: The parties agree the School District bears no liability for damages, theft, or other loss of any personal property of Transcriber which may occur on School District premises, whether such loss affects personalty secured or purchased by Transcriber, School District or by means of grant arrangements. If such personalty is material to the performance of the services listed above, it shall be the responsibility of Transcriber to replace it. The School District is the sole judge of materiality.
10. ASSIGNMENT AND DELEGATION: The services to be performed under this Agreement are deemed to be personal in nature and the parties agree the duties may not be delegated nor the Agreement assigned without prior written consent of the School District.
11. AMENDMENTS: The parties agree that no changes, additions, or modifications to this Agreement may be made except by written addendum signed by both parties.

12. DEFAULTS: This Agreement may be terminated by the School District at any time that it determines in its sole discretion that the services listed above are not being performed in accordance with this Agreement. Upon such termination the School District shall pay for services through the date of termination.
13. ADDITIONAL CONTRACTUAL PROVISIONS REQUIRED BY K.S.A. 72-1148: This Agreement shall be subject to the following contractual provisions:
- (a) DA-146a Requirement: Pursuant to K.S.A. 72-1148, the Parties agree that the terms of each and every provision in DA-146a (Rev. 07-19) as promulgated by the Kansas Department of Administration shall prevail and control over the terms of any other conflicting provision in this Agreement or any other document relating to and a part of this Agreement, including but not limited to any attachments and any terms and conditions utilized by Transcriber. Any terms that conflict or could be interpreted to conflict with DA-146a are nullified. In the event that a provision of the Agreement is held to be invalid or otherwise unenforceable, such provision will be interpreted to fulfill its intended purpose to the maximum extent permitted by applicable law, and the remaining provisions of the Agreement will continue in full force and effect.
 - (b) Agreement with Kansas Law: All contractual agreements shall be subject to, governed by, and construed according to the laws of the State of Kansas. Any lawsuit concerning this Agreement shall be filed in a court of law located in Sedgwick County, Kansas.

 - (d) Disclaimer Of Liability: Notwithstanding anything to the contrary elsewhere contained in this Agreement, the School District shall not hold harmless or indemnify any contractor beyond that liability incurred under the Kansas Tort Claims Act (K.S.A. 75-6101 *et seq.*). In addition, the District shall not indemnify or hold harmless against damages, injury or death resulting from the actions or failure to act on the part of any party to this Agreement other than the Board of Education of the School District or the School District.
 - (e) Anti-Discrimination Clause: Transcriber agrees: (i) to comply with the Kansas Act Against Discrimination (K.S.A. 44-1001 *et seq.*) and the Kansas Age Discrimination in Employment Act (K.S.A. 44-1111 *et seq.*) and the applicable provisions of the Americans With Disabilities Act (42 U.S.C. 12101 *et seq.*) (ADA) and to not discriminate against any person because of race, religion, color, sex, disability, national origin or ancestry, or age in the admission or access to, or treatment or employment in, its programs or activities; (ii) to include in all solicitations or advertisements for employees, the phrase "equal opportunity employer"; (iii) to comply with the reporting requirements set out at K.S.A. 44-1031 and K.S.A. 44-1116; (iv) to include those provisions in every subcontract or purchase order so that they are binding upon such subcontractor or vendor; (v) that a failure to comply with the reporting requirements of (iii) above or if Transcriber is found guilty of any violation of such acts by the Kansas Human Rights Commission, such violation shall constitute a breach of the Agreement and the Agreement may be cancelled, terminated or suspended, in whole or in part, by the School District; (vi) if it is determined that Transcriber has violated applicable provisions of ADA, such violation shall constitute a breach of the Agreement and the Agreement may be cancelled, terminated or suspended, in whole or in part, by the School District.
- Parties to this Agreement understand that the provisions of this paragraph (with the exception of those provisions relating to the ADA) are not applicable to a company who employs fewer than four employees during the term of such Agreement or whose contracts with the School District cumulatively total \$5,000 or less during the fiscal year.
- (f) Arbitration, Damages, Warranties: Notwithstanding any language to the contrary, no interpretation shall be allowed to find the School District, or any agency thereof has agreed to binding arbitration, or the payment of damages or penalties upon the occurrence of a contingency. Further, the School District shall not agree to pay attorney fees and late payment charges beyond those available under the Kansas Prompt Payment Act (K.S.A. 75-6403), and no provision will be given effect which attempts to exclude, modify, disclaim or otherwise attempt to limit implied warranties of merchantability and fitness for a particular purpose.

 - (h) Insurance: The School District shall not be required to purchase any insurance against loss or damage to any personal property to which this Agreement relates, nor shall this Agreement require the School District to establish a "self-insurance" fund to

protect against any such loss or damage. Subject to the provisions of the Kansas Tort Claims Act (K.S.A. 75-6101 *et seq.*), the vendor or lessor shall bear the risk of any loss or damage to any personal property in which vendor or lessor holds title.

- (i) Compliance with Law and Regulations: Transcriber, in providing services under this Agreement, will comply with federal, state and local laws, regulations and ordinances. Copies of any federal, state or local licenses that are required to provide the services being provided or for the product being purchased must be provided as an attachment to this Agreement. If a required license expires prior to the termination of this Agreement, Transcriber must provide a copy of the renewed license to the School District Purchasing Department on or before the date the license expires. This Agreement will automatically terminate on the date of expiration of the required license if Transcriber does not provide a renewed license on or before the date the license expires. This Agreement will automatically terminate at any time Transcriber, for whatever reason, does not possess a valid required license. The School District's obligation to pay for services ceases as of the date Transcriber does not possess a valid required license. When Transcriber does not possess a valid required license, the School District has the right to return and to not pay for products that are produced by Transcriber.
- (j) IRCA: The Contractor agrees that it is solely responsible for its compliance with the Immigration Reform and Control Act of 1986 ("IRCA"), as amended. Contractor agrees that it will send only work-authorized individuals to District worksites and will only use work-authorized individuals to perform work pursuant to the Agreement. If Contractor knowingly violates IRCA or the regulations implementing IRCA, the District shall be entitled to immediately terminate this Agreement for cause.
- (k) Information: No provision of this Agreement shall be construed as limiting the Legislative Division of Post Audit from having access to information pursuant to K.S.A. 46-1101 *et seq.*
