Parking/Traffic Committee Meeting

January 9, 2025

Agenda

- Welcome
- Drive Through Drop Off
    - What's working:

1) Improved traffic. Easier to cross street.
2) Parents happy to use drop-off. It's convenient. Parents trying to park at corner/fire hydrant (need ticketing?).
3) No double parking. Good flow. Dropping of TK-2nd and then turning.
4) Neighbors are very cooperative. Not parking on drop-off side of street. Have expressed APPRECIATION ;)
5) Parents and students are happy to be welcomed.
6) 5-6 student volunteer consistently. ~2 regular parent volunteers.
7) Officer: 15 ft w/in fire hydrant = ticket

    - What needs to be revised

1) Incentive with gift cards for parent volunteers (?)
2) 12th street has double parking, parents honking/yelling, refusing to use drop-off
3) 11th street ½ way down the block, double parked. Ms. Trejo spoke with parent.
4) Congestion at Florida/11th intersection, cars turning, going straight, pedestrians, etc.
5) Officer: will send parking ticket support to 12th St.
6) Ramirez: Grade levels assigned to sign-up parent volunteer.
7) Prier: Encourage dads to help after dropping off kids, parent drives opposite direction on Florida and runs student across street.
8) ONE-WAY on Florida?
9) City Engineering: suggestions for traffic flow, repair curb where students are dropped off.
10) Parents not pulling all the way to the front of line for charter side. Bullhorn? "Drop-off" sign?

    - Parent/Student Survey

1) One response: Everyday! ALL POSITIVE ANSWERS! 5-star. Except for volunteering…
2) Will send again with video testimonials from parents and students.

- Next Steps

1) Collect data: count families dropping off.
2) After school: Staggered end times? Welcome new ideas!!!
3) Walk and Roll Groups
4) Next Meeting: ZOOM Feb
