Notes

- Committee met at 530pm via zoom
- Sergeant Melgoza from the Richmond Police Department was present
- Committee engaged in an ice breaker - what would you prefer- pancakes or waffles & hamburger or hot dog
- Dr. Prier presented the problem through a video where cars were found to be double parked illegally and also parked facing the wrong way; traffic was seen to be unmoving
- Committee members were asked in the previous meeting to bring ideas on how to improve the traffic;
- Several ideas were brought forward; Sgt Melgoza, along with another committee member suggested a drive through drop off with cones in front of the school; Sgt. Melgoza also suggested having traffic officers at the school for a week to give tickets so that parents would stop the behavior
- Committee agreed to the drive through drop off; committee will begin to plan(at the next meeting) how this will take place; the messaging to the community and staff
- Ms. Wardle discussed the Bike/Walk to School that she is spearheading. She will reach out to families to determine interest in having children Bike/Walk to school together.

- The next committee meeting will be held on Wednesday October 2, 2024 at RCP in the Library at 530pm. We had to move the date due to the School Board Candidate forum on October 3rd.
