Portrait of a Graduate

Determined - Driven to persevere through challenges and remain focused on goals

Confident - Believe they are knowledgeable and capable learners; proud of who they are and have pride in their work

Innovative - Creative problem solvers who take risks and think outside the box

Advocates - Seek to understand and use their voice to support themselves, a group, or cause to promote equity and social justice

Empathetic - Recognize and understand the needs, feelings, attitudes, and perspectives of others

Collaborative - Influential teammates who demonstrate leadership qualities and effective communication skills

Adaptable - Reflective and flexible thinkers who learn from their mistakes and are not afraid of taking on challenges
