Subject February DIMC

Hello!

DIMC is scheduled to meet on February 13. There is only one course to review, so I am canceling the in-person portion of the meeting. Please review the attached documents for a new AP Cyber Security course. This will be a 3-trimester course that will be offered at Hazen if approved. The College Board has approved this course for us to offer.

Once you have reviewed the information; if you have a question, please send it to Keith Peck, Jon Stadler, and Megan Farmer. You will need to vote yes, to approve and no, to deny. Send your yes/no vote to Jon Stadler and Megan Farmer.

Thank you for voting. I will send the meeting cancelation shortly.
