Students and Telecommunication Devices

This procedure outlines the expectations for students using their Personal Electronic Devices (PED) on school property or while attending school-sponsored or school-related activities. If a student chooses to bring their PED on campus, the device must be turned off or silenced (ring tone and vibration) and put away.

Elementary Students

Elementary students who choose to bring cell phones or other PEDs to school, may only access them before and after school. Smartwatches may be worn but must be on school mode.

Middle School Students

Middle School students who choose to bring cell phones or other PEDs to school, may only access them before and after school. Smartwatches may be worn but must be on school mode.

High School Students

High School students who choose to bring their cell phone or other PEDs to school may only access them before and after school, at lunch, and during transition periods. Smartwatches may be worn but must be on school mode.

Exceptions

Students having an IEP, 504 Plan or an Individual Health Care Plan (IHP) that includes specific accommodations for assistive technology will use the district provided laptop during the school day following the process as outlined in those plans. If the district provided laptop cannot operate the assistive technology, then the student and administrator will identify an appropriate device.

Discipline

Students who violate this policy/procedure will be subject to disciplinary action, including suspension or expulsion.
