

Reverend Johnson

dedicated his life to serving, educating, and uplifting God's children...

For 18 years, Reverend Thomas E. Johnson, Jr. sat at the helm of The Neighborhood Academy, leading our school through both our darkest nights, and our most exemplary achievements. We would not have the ability to educate some of Pittsburgh's most talented and deserving youth if it was not for his exceptional leadership. He ensured that our school had a solid foundation so that future leaders could continue to have a profound impact on the lives of countless youth. It was once written that "a wise man plants trees whose shade he knows he may never enjoy." I believe that we can all attest to Rev. Johnson's contributions to the betterment of generations to come which ultimately exceed all our living days.

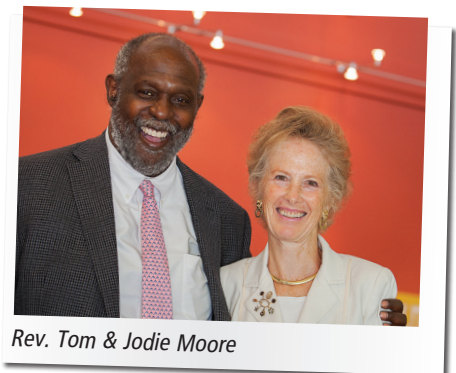

He lovingly pastored at churches throughout the city of Pittsburgh including Allegheny United Church of Christ, Allegheny Center Alliance Church, Community of Reconciliation, and East Liberty Presbyterian

Church. He taught, coached, and provided stellar leadership at outstanding educational institutions at The College of Wooster, Shadyside Academy, and The Neighborhood Academy.

He impacted the lives of children who have and will grow up to be college educated, gainfully employed, devoted husbands and wives, and ultimately leaders within our communities. He inspired and provided hope to all of us through his wisdom, compassion, and love for each one of us. He remains an incredible man who lived an amazing life filled with love for all mankind, and the God that he served.
