RFQ 2025-01

Title: Project Management and Communications Contractor to Support the JPS-Hinds Early Learning Collaborative

Issue Date: Wednesday, May 14, 2025

Submission Deadline: Wednesday, June 04, 2025

Time: 10:00 a.m. (Central Standard Time)

Questions regarding proposal specifications are to be addressed to the Project Administrator listed in the proposal or contact Purchasing Office at 601-973-8582 or via email at rfp@jackson.k12.ms.us for assistance.

The Board of Trustees of the Jackson Public School District (hereafter referred to as "JPSD") is soliciting sealed, written formal Requests for Proposals (RFP) from qualified vendors (hereafter referred to as "Vendor") for the purchase of furniture, equipment, supplies, materials, labor or services as outlined in the following specifications. Sealed RFP shall be received by JPSD, in the Business Office of the Jackson Public Schools, 662 South President Street, Jackson, Mississippi, until the time specified on the RFP Opening Schedule (front page of the formal RFP document), at which time all RFP shall be publicly opened and read aloud. Neither dating of the RFP form nor placing the RFP in the mail by this date shall meet legal requirements; the formal RFP document must be **received in the Business Office** of the Jackson Public School District on or before the date and time stated.

JPSD reserves the right to reject any and all RFPs received and to waive any and all informalities. Vendors are encouraged to very carefully read all sections of this RFP document prior to submitting an RFP proposal. Any agreement generated due to an award may be terminated by the District without cause upon one week's prior notice to vendor.

The vendor must provide a current copy of their company's Certificate of Insurance with Workers Compensation and General Liability Coverage. Jackson Public School District requires coverage for not less $1,000,000.00 dollars. JPSD must be listed as an insurer under the coverage provided. It is imperative that this insurance is maintained throughout the duration of the contract. This coverage must be submitted and kept on file with JPSD.

It is the basic philosophy of JPSD to extend to all responsible Vendors equal consideration and the assurance of unbiased judgment in determining whether their product or service meets specifications and the educational needs of the school district. JPSD shall fairly evaluate all formal RFP proposals submitted and base all decisions on the "lowest and best" RFP concept, purchasing only those products and/or services which meet the specifications as written. All decisions rendered shall strive to achieve the greatest value from every tax dollar expended. JPSD shall make no discrimination based on race, color, creed, religion, or national origin, in either the product evaluation process or in transacting business with Vendors or Vendor representatives.

The advertising and publishing of this RFP has met all legal requirements (Mississippi Code of 1972, Annotated, §31-7-13), hence the requirement to offer public notice of the intent of JPSD to solicit RFPs via this RFP document has been satisfied.

This document is to serve as an invitation to all qualified vendors to extend to JPSD an offer for the sale of all products and/or services specified herein. It is the purpose of this RFP document to clearly define "open" and "competitive" product or service rfp specifications. All items on this RFP are to be **as specified or JPSD approved equal**.

Addendum: Vendor shall acknowledge the receipt of all addendums which were issued during the course of this RFP. If specified in the text of the addendum, in addition to acknowledging receipt of the addenda below, the addenda may require additional information required for the RFP (e.g., pricing), in which case the Add RFP Addendum shall not only be acknowledged below but shall be completed and attached to the RFP at the time the RFP proposal is submitted. Receipt of the following Addendum issued during the course of this formal RFP is hereby acknowledged:

It is acknowledged that this rfp proposal consists of the following sections: **PROPOSAL FORM**, **INSTRUCTIONS AND CONDITIONS**, **SPECIFICATIONS** and any **ADDENDUM** (if applicable). The Addendum chart is located on page 11.

Net Prices

In all cases, prices quoted are to be net including all applicable discounts. A separate price shall be offered for each item and not in combination with other items (unless the grouping of items is otherwise allowed as defined in the specifications). Unit

price shall prevail in case of a conflict between unit and total price (extension); written price shall prevail in case of a conflict between written and enumerated pricing. Vendors are instructed to **round off all unit pricing and extensions to the nearest whole cent, i.e., round the pricing to two places to the right of the decimal point only.** JPSD will only accept pricing, which is stated in this manner. All items for which pricing is submitted which is other than two places to the right of the decimal shall be accepted; however, all digits beyond a whole cent (more than two places to the right of the decimal) shall be ignored in the RFP analysis process and the unit price indicated on the purchase order shall be to the nearest whole cent for each item involved.

Payment and Invoicing
Unless otherwise indicated in the detailed specifications of this RFP document, JPSD shall make remittance in a **single lump sum** payment **following satisfactory delivery of all items** listed on the purchase order or following satisfactory performance (final inspection) of all services as specified in the contract. JPSD remits by "completed purchase order" only; remittance shall not be made upon receipt of partial shipments or performance, or the receipt of invoice for same, but only after all items included on the purchase order or contained in the contract are delivered and/or satisfied.

It is mutually understood that invoices submitted against Multi-Year or Open Purchase Orders, remittances are processed based on the contracted scheduled agreement prior to the purchase order being generated. Only **Multi-Year** and **Open Purchase Orders** have multiple invoices received for remittance for payment. Professional Services, materials and other such services; invoices are submitted for payment in intervals following satisfactory delivery of ALL services and /or performance of ALL services indicated in the contracted agreement between said vendor and JPSD for that time period, following inspection if applicable. Any freight/shipping cost that may be incurred for tangible items, such as books, pamphlets, handouts, materials needed for presentations, etc. must be included in the total price proposal price submitted if and applicable.

Performance Penalty
The Vendor is subject to a 10% penalty on this agreement for the **2025-2026** school year if the academic objectives of this agreement are not satisfied. The District will withhold 10% of the total contract for final payment to be made after the academic objectives are satisfied.

Default and Delays
Upon failure of the Vendor to deliver all of the items ordered or to render service, within the time set or allowed, the successful Vendor shall be considered in default, in which case JPSD reserves the right to terminate the purchase order or contract and to purchase similar supplies, services, or furniture and equipment, on the open market or secure the manufacture, delivery, and installation thereof by contract or otherwise. The Vendor shall be charged with any cost occasioned by JPSD whether the said cost is the same as originally accepted or any excess cost.

Damage to School Property
Any damage or loss to JPSD property as a result of any action by the Vendor in the delivery, execution or performance of any item or service stated in these specifications shall be repaired or replaced with the satisfaction of designated JPSD personnel, at the Vendor's cost, within a reasonable time.

Guarantee
Each Vendor, by presenting a rfp under these specifications, binds himself to make it positive that all goods are fully up to the standards set by the specifications. Should it be discovered within a reasonable period of time from the date of purchase order or contract that such goods or services are not up to standard, JPSD shall have the right to have such goods or services replaced by others conforming to the standard requirements and the entire expense be borne by the Vendor. The Vendor shall agree to guarantee and warrant all equipment provided as a result of this RFP for a period equal to the stated guaranty/warranty in the specifications. All such warranties shall provide coverage as indicated in the specifications.

Acceptance and Award of RFP Proposals

The Vendor's RFP proposal, once submitted and accepted as a valid RFP by JPSD, shall be deemed by both parties to constitute a legal and binding offer on the part of the Vendor to sell to JPSD as per the terms of the RFP specifications, all products and/or services contained therein. RFP proposals are subject to acceptance by JPSD at any time within forty-five (45) calendar days following the RFP opening date. Consequently, all price quotations shall be effective for a minimum of forty-five (45) calendar days and a maximum period as indicated in the specifications. All RFPs must be valid for the effective dates stated in the specification, if applicable.

The award of contract shall be made to the Vendor responsible whose RFP, conforming to the specifications, is deemed to be the most advantageous to JPSD, price and all other factors considered. The Vendor acknowledges the right of JPSD to reject the RFP, in part or in total, if the Vendor fails to submit the data required in the specifications, or if the rfp is in any way incomplete or irregular. Under no circumstances may a Vendor deliver, install, or perform any service as specified in these specifications without written authorization from JPSD (i.e., a duly issued purchase order or signed contract). All RFPs shall be approved by the Board of Trustees prior to the final award.

The Vendor shall be issued a purchase order document, which shall be deemed acceptance of the RFP proposal offer made by the Vendor, for all items and/or services approved by the Board of Trustees and awarded as a result of this RFP. However, if in the opinion of JPSD, a contract document is required to authorize the award of the RFP, Vendor agrees to sign and execute all such contract documents as required in the written specifications. NOTE: If Vendor policy requires that JPSD sign Vendor contract documents, a sample of all such documents shall be included with the RFP proposal and shall become a part of the Vendor's RFP proposal.

All awards are based on the availability of funding. In the event of a reduction of funds, this award can be rescinded at any time.

Project Management and Communications Contractor

To Support the JPS-Hinds Early Learning Collaborative

Request for Qualifications:

Introduction: The Jackson Public School District recognizes the importance of early childhood education and development programs and services for children from birth to school entry. In 2019, the District launched its strategic plan Excellence for All which championed the growth of high-quality prekindergarten access within the City of Jackson for all four year olds.

Over the next several years, the District worked to grow prekindergarten seats and provide more scholars a "strong start" through its Optimizing for Equity plan, adding one hundred prekindergarten seats at McWillie Elementary School (North Jackson) and reconfiguring Van Winkle Elementary School from K-5 to a full Prek-4 early childhood center (South Jackson).

In April 2022, the District formed the JPS-Hinds Early Learning Collaborative in partnership with Hinds County Human Resource Agency, Jackson State University's Lottie Thornton Center, and the Greater Bethel Temple Little Saints program. Together, the Collaborative secured $9.1 million over three years to support the growth of high-quality access in Jackson. Paired with existing district and federal funding, this investment will grow the capacity to serve up to 1,226 four-year old scholars, roughly comparable with the entering kindergarten cohort enrollment in Jackson Public Schools.

On June 5, 2024, the district unveiled its new 5-year Strategic Plan" The Power of People and Possibilities. The new plan aims to bring in more resources to improve the learning environment for both students and educators. The purpose of the Request for Proposal (RFP) for Advertising Prekindergarten Programming is to solicit proposals from advertising agencies or vendors to develop and implement an effective advertising strategy for promoting prekindergarten programming. RFP aims to find a qualified and experienced partner who can create compelling media campaigns and engaging videos to reach the target audience and meet the goals and objectives of the prekindergarten program.

Scope of Work: Contractor will support the efficient operations of the JPS-Hinds Early Learning Collaborative from fall 2025 through July 31, 2028, including support to Deputy Superintendent, JPS Early Childhood Director, and collaborative partners in the following activities:

- Communications – manage the content of the JPS Prekindergarten website page; develop a monthly newsletter for collaborative educators; develop promotional materials related to early childhood staffing and student enrollment; develop promotional materials and media to promote the Early Learning Collaborative Tax Credit. The vendor or agency should establish open and clear lines of communication with Jackson Public Schools. This may include regular meetings, email correspondence, phone calls, or any other preferred method of communication. It is important to establish a collaborative and responsive communication process.
- Project management – strategically create and manage a work plan for Collaborative activities, specifically related to recruitment of staffing and student enrollment.
- Community engagement – assist in organizing opportunities to engage and partner with Jackson families, members of the MS Early Childhood community, and other key stakeholders in the asset mapping and strategic visioning process; develop engagement for diverse student populations, especially students with disabilities and non-native English speakers; offer strategic support on the expansion of JPS' Parent Academy programming, Curricular events in ELA and Math and Open House.

Contractor Types: These responsibilities could be carried out by an individual as an independent contractor or by an MS organization that could devote existing staff capacity.

Qualifications: Ideal candidates would have experience in communications and project management and would be knowledgeable of Mississippi's early childhood landscape. Ideal organizations submitting proposals would also have aligned missions, well-established relationships with early childhood leaders in MS and the institutions that support that workforce, and capacity to be an effective partner.

Location: The Collaborative operates from Jackson, MS. Therefore, we seek applicants based in Mississippi.

Proposal Requirements: To express interest in this contract please submit a resume and cover letter noting:

- Relevant experience and knowledge of Mississippi early childhood landscape
- Availability (of hours per week) through July 31, 2028
- Proposed hourly rate, any expenses, and total budget through July 30, 2028
- Name and contact information for two references
