COMICS PLUS®

#ReadAllTheComics

SUMMER READING 2025

Summertime offers a welcome break from required reading and is the perfect time to color your world with exciting comics and manga you'll *want* to read!

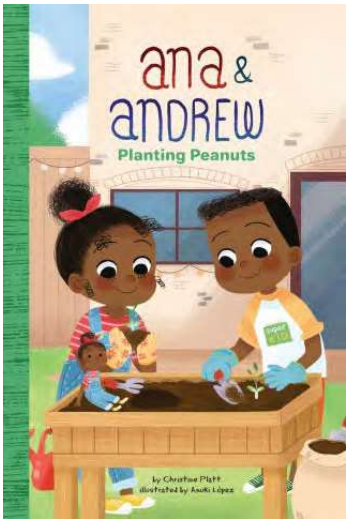

Comics Plus offers unlimited opportunities for inspiring creativity and new perspectives, and our Summer Reading Guide and curated lists spotlight diverse recommendations for readers of all ages.

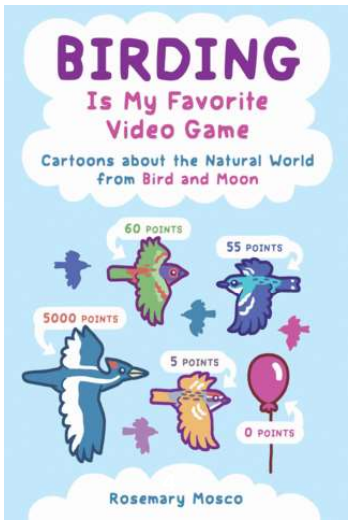

This resource also includes a reading challenge to make "Read all the comics!" even more engaging.
