

8th Grade Washington DC Trip RFP

Opening Date: 5/30/25

Opening Time: 11:00 a.m.

RFP Number: 2531-25

This Addendum No. 2 is being issued to answer the following questions:

Question:

You want a social activity for the students on at least one evening. Would an evening at a dinner event with entertainment qualify or do you want something where the students are completely separate from everyone else and participating in an event? We want to give your group the experience they deserve, and we want to exceed your expectations

Answer:

An evening at a dinner event with entertainment is an acceptable event. The entertainment must be age appropriate. The RFP states that "the social event must not include co-mingling with other groups." if the event takes place in a public or semi-private venue, our students would have to be kept together as a group and there would have to be a very well delimited separation between our students and others.

Question:

We are assuming food courts will be acceptable for lunches. We will provide all meals for your group.

Answer:

Food courts are an acceptable lunch venue.

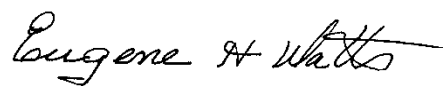

Question:

We would suggest staggering departures and arrivals at locations to prevent overcrowding. Is this acceptable for your schools?

Answer:

Staggered arrivals and departures are acceptable. There should not be too much time between arrivals and there should not be significantly more or less time spent at a venue/event for groups that arrive at different times.

All project requirements, except for those that are specifically added or modified by this Addendum shall remain in full effect.
