Dr. Mary Elizabeth Davis
Superintendent
Cherokee County Schools
1205 Bluffs Parkway
Canton, GA 30114

Dear Dr. Davis:

The Georgia Department of Education School Nutrition Division conducted an Administrative Review (AR) of Cherokee County's School Nutrition Program (SNP) on March 4-6, 2025. This review was conducted under regulations, Chapter 7 Code of Federal Regulations, Part 210.18 and Part 210.19 (1). The AR was conducted at Clark Creek Elementary School, Holly Springs Elementary School, J. Knox Elementary School, and Teasley Middle School. This communication contains the results of the review discussed during the exit conference on March 6, 2025.

The SNP is commended for having no findings in either the critical or general areas covered in the AR. The review is closed.

The review of the Afterschool Snack Program revealed compliance with requirements.

Per federal regulations, the results of the review will be posted on the website:
<https://snp.gadoe.org/CSS/Pages/AdministrativeReviewResults.aspx>.

The AR does not constitute an audit under the Federal Office of Management and Budget Circular A-133 and related audit standards. Future audits of program areas that were covered by this review could generate different findings including fiscal action.

Please contact Ms. Emily Miller, AR Team Leader, at emily.miller@doe.k12.ga.us or Ms. Sarah Combs, Compliance Specialist, at scombs@doe.k12.ga.us for questions and/or concerns related to this matter.

Chapter 7 Code of Federal Regulations, Part 210.18 requires the State Agency to review Seamless Summer Option (SSO) if the school food authority operates this program. Future communication regarding the SSO review will be forthcoming, if applicable.

The Georgia Department of Education School Nutrition Division would like to gain insight into the SNP perspective of the AR process. Please take a few minutes to share your thoughts with us in this brief survey.
