

The Legacy Program provides English Learners with purposeful academic, instructional, motivational and family supports that will facilitate the student's progression toward college, career and world readiness upon graduation.

LEGACY PROGRAM

The Legacy Program was designed to address the academic needs of Academic English Learners in Riverside Unified. The goal of the Legacy Program is to increase the number of Academic English Learner students that successfully complete the 15 courses required for UC and CSU entrance (A – G courses).

SCHOOL DISTRICT

LEGACY PROGRAM

PROGRAM COMPONENTS:

- Academic progress monitoring;
- A – G status emphasis with college enrollment promoted;
- Parents provided with information regarding the Legacy program and events;
- Students referred to tutoring or other interventions, as needed;
- Emphasis on college planning.

Contacts work with teachers, parents, and tutors in order to determine the best support system for each student.

SAMPLE ACTIVITIES INCLUDE:

- Career Cruising
- Four-year Education Plan
- Testing: ASVAB, PSAT, ACT, SAT
- College Field Trips – UCLA/USC/CSULA
- Workshops: Financial Aid, College Applications, Resume Building
- Senior Celebration

“

Focus on student’s whole learning in every aspect of their high school career by giving students mentoring and tutoring help!

”

PARENT/COMMUNITY OUTREACH

Parent information nights are held in order to update parents on how to support student success. Sessions include “A through G” requirements, making up grades lower than a C, and the college application process.

Parents are provided with tools and support to advocate for their student’s success.
