Dear Ringgold Community, Families, and Staff,

It is with great sadness that we inform you of the tragic loss of one of our students who passed away as the result of an accident earlier today. Out of respect for the family's privacy, we are not sharing the student's name at this time.

This loss deeply affects our school community. Our thoughts are with the student's family, friends, and all who knew and cared for the student. We recognize that this news may be difficult to process and may bring up a wide range of emotions for students, staff, and families.

Grief counselors and support staff will be available at our schools beginning Monday, May 19, 2025, and we encourage anyone who needs support to reach out. We also ask that families take time to check in with their children and create space for conversation, support, and healing.

During this time of sorrow, we ask you to join us in keeping the student's family in your thoughts. Our strength as a community lies in how we care for one another, especially in moments of grief.

Sincerely,

Randall Skrinjorich
