A note from the principal:

Dear Bulldog Family,

Well, this weekly newsletter will be my final newsletter to you as principal of Millsap Middle School. I cannot express to you enough how much your faith in me and support for this campus has meant. The last two years have been among my best years in education. The quality of students in Millsap is beyond compare, and that does not happen by accident. Thank you, and may God bless this district and your children as you move forward.

Warmest regards,
David Coker

Was it ever less than a
treason
To go with the drift of things,
To yield with a grace to
reason,
And bow and accept the end
Of a love or a season?
