Last Week for Seniors!

Next week, our Seniors take their final exams and wrap up their academic year on Friday, May 23. As we progress to graduation on June 1, please pay close attention to dates and times of all senior-related activities, including graduation practice. This is a time for fun and celebration, yet there are still responsibilities and expectations. Be safe!

Congratulations

To our BHS freshman and sophomores who were recognized for completing the BSD Life Savers Program at a district-wide celebration this week. These students are exploring and preparing for a future career in nursing. Way to go Bulldogs!
