Halloween Safety

Kids look forward to Halloween for many reasons. They like dressing up in costumes, but the mostly, they like it for the candy and treats! Who wouldn't? Give your kids some precious Halloween memories that they'll have for life.

Here's some tips to help your children be safe on Halloween night:

- Children should always go out trick or treating accompanied by a responsible adult.
- Be careful when crossing the street. Make sure to look in both directions and make sure that there are no cars coming.
- Instruct your children not to eat any treats until they bring them home to be examined by you.
- Instruct your children to never go into the home of a stranger or get into their car.
- Make sure your child carries a flashlight, glow stick or has reflective tape on their costume to make them more visible to cars.
- For older children—let them know that they should stay together as a group if going out to Trick or Treat without an adult.
- Plan a safe route so parents know where their older children will be at all times. Set a time for their return home.

Ms. Sandra

Hello, my name is Sandra Galloway. I'm originally from Long Beach, California. I currently live in Lake Elsinore with my family or twenty years. I have four children of my own, two are all grown and I have two at home. I also have three grandchildren. I have worked in Family Services for twelve years in the S.E.E.D. program as a childcare giver. This is my second year working with at the Child Development Center in room # 11.
