Halloween Safety

Kids look forward to Halloween for many reasons. They like dressing up in costumes, but the mostly, they like it for the candy and treats! Who wouldn't? Give your kids some precious Halloween memories that they'll have for life.

Here's some tips to help your children be safe on Halloween night:

- Children should always go out trick or treating accompanied by a responsible adult.
- Be careful when crossing the street. Make sure to look in both directions and make sure that there are no cars coming.
- Instruct your children not to eat any treats until they bring them home to be examined by you.
- Instruct your children to never go into the home of a stranger or get into their car.
- Make sure your child carries a flashlight, glow stick or has reflective tape on their costume to make them more visible to cars.
- For older children—let them know that they should stay together as a group if going out to Trick or Treat without an adult.
- Plan a safe route so parents know where their older children will be at all times. Set a time for their return home.

Ms. Veronica

I am new to Family Services and the Murrieta Valley Unified School District. I have been teaching in Early Childhood Education since 1999, at other surrounding Districts. I hold a Master Degree in Early Childhood And Human Development from Pacific Oaks College in Pasadena, Ca. I also hold a child Development Program Director Permit. Prior to working in education, I served as Pediatric Critical Care Nurse for over 20 years. I have dedicated my entire adult life to the care and education of young children and their families. I consider it an honor to be a part of all of your lives.
