Halloween Safety

Kids look forward to Halloween for many reasons. They like dressing up in costumes, but the mostly, they like it for the candy and treats! Who wouldn't? Give your kids some precious Halloween memories that they'll have for life.

Here's some tips to help your children be safe on Halloween night:

- Children should always go out trick or treating accompanied by a responsible adult.
- Be careful when crossing the street. Make sure to look in both directions and make sure that there are no cars coming.
- Instruct your children not to eat any treats until they bring them home to be examined by you.
- Instruct your children to never go into the home of a stranger or get into their car.
- Make sure your child carries a flashlight, glow stick or has reflective tape on their costume to make them more visible to cars.
- For older children—let them know that they should stay together as a group if going out to Trick or Treat without an adult.
- Plan a safe route so parents know where their older children will be at

Thank you to all parents and staff for such a successful Parent Advisory Committee meeting on September 15, 2010

We had such a fantastic turn out of parents from all rooms that been decided that there will be ice cream party for all rooms on Friday—September 24!

Ms. Tracy

Hi! My name is Tracy Stewart. I am married with 3 beautiful daughters. I have been working here at the Child Development Center for a year and currently working in room 4 with Ms. Consuelo. However, I have been working with young children for over 13 years. In my spare time, I enjoy reading and listening to music and spending time with my family. I enjoy working with children and learning new things with them everyday. Please stop in and say hi!
